YZ250

CONSIDER THIS

In 1995 the Yamaha YZ250 was voted 'Bike of the Year' by *Motocross Action* magazine. Team Yamaha's Yves Demaria looked set to be one of the favourites for the World 250cc Championship until injury cut his season short.

The YZ125 won the Motocross shootout in America's *Cycle News*. And over 20,000 people watched Paul Malin blitz the British 125 Grand Prix on his Team Mobil Yamaha.

Enough to keep some manufacturers happy.

But not Yamaha.

YZ125

So for the '96 season we've designed an all-new low centre of gravity short wheelbase chassis for the YZ250 and YZ125. Fitted both models with larger diameter 46mm forks. And developed a totally new lightweight works type Monocross rear end.

YZ250 power is up thanks to revised porting, reshaped YPVS and a new PWM carburettor. While to give our Grand Prix winning YZ125 even

YZ250

sharper performance we've fitted a new cylinder and resin reeds.

With all-new blue bodywork and white frames the whole YZ line up from 80cc to 250cc and the latest WR250 get treated to a hard-hitting factory look.

And with the launch of the all-new TT250R 4-stroke Enduro bike the range is even wider for the new season.

So if you're not winning in '96 there's only one excuse.

You didn't get yourself a new Yamaha!

STEVE BAILEY MEMORIAL TROPHY MOTOCROSS

This meeting is being held in memory of a great friend and supporter who was tragically killed in a motor accident in 1994.

Steve often commentated at our events, including our Beach Race, and could always remember each riders championship successes, Purbeck member or not.

He is sadly missed by all Purbeck members.

When his brothers rode, he used to attend our Club nights at the Antelope Inn regularly.

IT STOPPED BEING FAIR A LONG TIME AGO.

NOW WE'RE JUST RUBBING IT IN.

As reigning World 250cc Champions, you know we've got the winning bikes, but it's free membership of TEAM GREEN CLUB '96* that gives you the winning edge.

Why? Because we look after your bike with a unique six months warranty, supply a parts kit** and provide mechanic training courses.

To help you ride faster, we arrange suspension and machine set-up days, a race preparation manual and give special rates for our Training Schools. Discount vouchers from participating Team Green sponsors save money, our Certificate of Registration helps beat theft. For advice, call our Technical Hotline.

Schoolboy rider, GP contender or enduro racer - we have the machine. The KX125 and 250 models are further improved for '96, while the KX500 caters for the Unlimited class. Youngsters start racing on the KX60, then progress via the KX80 and KX100, convertible to a 'Big Wheel 80'. For enduro, the KDX200 is easy to ride, yet quick enough to win.

Both of us know Team Green is the best, that's why we're rubbing it in!

AMCA Riders Win French Hypercross

The Annual French Hypercross held near Calais again saw AMCA riders dominate proceedings with Greg Hanson (Shepperton) winning the 250cc final from Richard Cuff (Marshfield), with Andrew Manley finishing 6th after holding 4th place till the last lap.

In the 125cc Final, Lee Pearce from the South Wales group was 2nd from Jason Palmer (OPurbeck) with Jamie Wilson (Shepperton), an early leader, finishing 4th. Highway Oliver qualified for the final through the Repechage, while Wayne Fitzpatrick was 17th after falling off.

The Hyperfinal, run under floodlights late into the night, saw Cuff leading for the early part of the race but was passed by Hanson and they finished 1st and 2nd, with Pearce finishing 4th after a bad start.

Willis Injured In Holland

Paul Willis, whilst riding in the Dutch round of the 125cc IMBA European Championship, came off in the 1st practice but rode the 1st race before collapsing and was taken to hospital and eventually came back to the meeting after the 3rd race has finished but travelled home okay and should be fit for the French round this weekend. Anthony Kahl took 6th overall with James Cumber 7th and brother, Paul, 11th. Lionel Beck, the AMCA Official, missed most of the meeting as he went with Paul Willis to the hospital.

Trail Bike Riders

On 22nd September the Oakham will include classes for Trail Bikes on September 22nd at their Motocross at North Witham.

For details contact Linda King in the evening on 01572 812735.

AMCA - ACU Sidecars

The 6th in the series of the combined Sidecar series on September 15th could be switched to the AMCA's track at Brownhills, as the Purbeck club who hoped to run it have cancelled on the same day. The Moseley club are using the Brownhills circuit near Walsall and have not yet confirmed their acceptance which may depend on the weather as they ran at Brownhills last Sunday and had to water non stop to ensure the meeting was completed.

A decision will be announced next week.
