The charity raffle for this meeting is going to be split between the Dorset & Somerset Air Ambulance and R.A.B.I.

Last year the charity raffles raised £3921.00 with a £931 here. Which was split between the Dorset & Somerset Air Ambulance and Diabetes UK. Thank you for your amazing continuing support.

**For those new to our sport a little explanation may help you enjoy your day.**

**The Pre '65 group** is fairly self explanatory - Bikes manufactured prior to 1965, some modification is allowed but the bike should remain in the spirit of the period.

**The pre '74 group** is much the same - Bikes manufactured prior to 1974. Both groups are sub divided into two engine sizes.

**Twinslocks** - these are divided into ability groups, A being the faster group through to D for the less competitive minded rider. Engine size is not considered in these groups. Twinslocks should have - two rear shock absorbers, drum brakes and an air cooled engine. There are exceptions, such as the single shock Yamahas that you can see here today, but that opens up a whole can of worms.....

The advertisement is set against a dark blue background with yellow accents. At the top left is a yellow house icon. To its right, the text 'Complete property maintenance' is written in yellow. Below this, a yellow horizontal band contains the text 'Covers all aspects of property maintenance' in dark blue. A large yellow house-shaped outline frames a list of services in yellow text: 'General building works.', 'Carpentry.', 'Tiling.', 'Landscaping.', 'Lawn care.', 'House and garden clearance.', and 'No job to small.'. At the bottom, a yellow horizontal band contains the text 'Call Shane. 07762764508' in dark blue.
