The Nigel Revell Trophy Scramble

Open to Pre 60/65/74 & Twinshocks

By Kind Permission of the landowner
Mr Tom & Margaret Symes

All vehicles parked at owners risk

Warning

Motor sport is dangerous and persons attending this meeting do so entirely at their own risk. It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land and the drivers and owners of the vehicles, are absolved from all liability arising out of accident, howsoever caused resulting in damage and/or personal injury to spectators or ticket holders. The organisers reserve the right to alter or omit any part of the programme.

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the paddock. Liability for any claim could rest with the owner of the machine being used (or the parents in the case of a minor).

Notice to the public

This event is being held on private property and you are strictly forbidden to cause damage in any way. Spectators are forbidden on the course or in the competitors paddock or to proceed beyond the spectator area. Persons ignoring the course Marshals do so at their own risk. The Promoters DO NOT except responsibility for any accident arising there from.

Police Notice

Due to the increase in the number of thefts of and from motor vehicles especially riders vehicles, during similar scrambles, the Police strongly advise you to lock your vehicles and remove articles of value.

South West Clubs League

New for this year

Participating Clubs

Bath Classic, Dartmouth, Devon Classic, Dorset Classic, North Devon Atlantic, South Coast Classic.

All AMCA licenced riders will gain points for their Club when they finish a race. The points will be added up after the results are known and the Club's position in the South West League revised and published. The final race of the season hosted by the Devon Classic Scramble Club, will be a **double points** meeting. The League will not have a prize attached to it, merely bragging rights! (there **may** be a sponsored prize of banners/tape/flags etc. to the winning club – tbc).

The finishing positions of all riders will be scored with 36 points for 1st, 35 points for 2nd and so on. DNFs will not score. **Only AMCA licence holders' points will count.** Every race will be scored down to the last rider to finish. For twinshock races, the ability-based 'group system' used by the Dorset Classic Scramble Club will be used at the majority of scrambles.

Where classes are combined, each position will be scored with respect to the class entered. E.g. pre-'74 with 125's would be scored as two separate races. Not all clubs will run all race groups at each meeting. Riders need to ensure their club details are correct at signing on, as this will be the club who will be awarded the points should the rider complete the race. If a rider is a member of 2 or more SW clubs, **only** the club on their AMCA licence can be used for the purpose of the league.

Non-AMCA licenced riders and riders with licences registered with clubs outside of the South West League will be allocated points but they will not contribute to a Club's total. After five rounds:

| Position | Club | Points |
|----------|---------------------------------|--------|
| 1 | Dorset Classic Scramble Club | 4292 |
| 2 | South Coast Scramble Club | 4067 |
| 3 | Dartmouth Classic MC | 3318 |

The charity raffle for this meeting is going to be split between the St. Margaret's Hospice and R.A.B.I.

Last year the charity raffles raised £3000 with over a £1000 here. Which was split between the Dorset & Somerset Air Ambulance and Diabetes UK. Thank you for your amazing continuing support.

For those new to our sport a little explanation may help you enjoy your day.

The Pre '65 group is fairly self-explanatory - Bikes manufactured prior to 1965, some modification is allowed but the bike should remain in the spirit of the period.

The pre '74 group is much the same - Bikes manufactured prior to 1974. Both groups are sub divided into two engine sizes.

Twinshocks - these are divided into ability groups, the entry divided into two halves C & D being for the less competitive/novice rider and the top half being sub divided again by age, the oldest half in one group the youngest half in the other group. Engine size is not considered in these groups. Twinshocks should have - two rear shock absorbers, drum brakes and an air cooled engine. There are exceptions, such as the single shock Yamahas that you can see here today, but that opens up a whole can of worms.....
