## A Big Warm Welcome To The Mendip Classic

Both Jon Truman and myself (James Millard) wish to welcome you all to The Mendip Classic Scramble here at East Harptree.

We are all looking forward to what looks like a cracking and exciting days racing with races from pre 65 Classic Bikes to the Very Big and powerful Evo / Super Evo 500 "Open Class racers".

Both Jon and I have been involved with Moto-cross / scrambling virtually all our lives and have been involved with the Farleigh Castle VMXdN from the early days of 2009 (as have most of our team), where we both met on the famous Farleigh Castle first bend.

We both love this sport and have always been either racing bikes or promoting events from a very young age.

When we both saw that a few clubs were struggling over the winter period with members and dates we decided to try and run our own classic event or scramble to ensure you guys had somewhere to ride and enjoy on hopefully green grass circuits, where most of us first learned to ride.

At first we wanted to Include Sidecars at these events but for this event it was just to difficult to set up and unfortunately this wasn't to be, however we have not dismissed this being possible for future events.

What we have now is a range of bikes and riders that we hope will all enjoy this fantastic little track. It has a "Farleigh Like" first tree left hander to negotiate after quite a long start straight. It has a few jumps for all abilities, it has a pond, please remember to wear you trunks under your race trousers just in case. Most of all it is grass, a lush green grass circuit that will be sure to produce loamy berms on an unmanicured track, a track that will cater for all abilities and race bikes with some exciting racing to boot.

We have refreshments on site from our catering van to the World Famous Lilleys Cider Bar, so please pop along and try a tippie.

May we take this opportunity to wish all the riders and spectators a fantastic day's racing and thank you all very much for your kind support, It is very much appreciated.

Best regards and thanks

James & Jon

(Special thanks to John May & Neil Carroll for the go pro footage, Franco Rippa for the The mendip classic and Farleigh Castle VMXdN logos, Emma Millard for helping out With the race program, David at Track Time UK and anyone else who has put up with us over the last few weeks, all your help and support has been fantastic.

**Please Note, Refuse Sacks Have  
Been Handed Out to You all At  
Signing On. Please At The End Of  
The Day Kindly Collect Your  
Rubbish And Take It Home  
With You.**
