KAJ BORNEBUSCH TROPHY 1968

Welcome to this, the third Scramble we have run at Oxenbourne this year. The previous two have been highly successful as far as racing goes, and although we have not the usual very large entry, we believe, of all the other events being staged today, we have the cream. Don Rickman is the only Expert here today to have won the Trophy before—we shall see if he does it again or whether one of the others can carry it off.

We have as usual, at this meeting, the trophies awarded to our own club members. Last year we remarked that all the previous winners of the John Fisher Trophy had become Experts; Steve Callis didn't let us down! We will watch today's winner with interest.

Looking back to The Southern Centre Scramble Championships meeting of 9th June for those spectators who do not see any Motor Cycling press, we collected over £54 towards the Internal Six Days Trial Support Fund. Thank you very much indeed, it is astonishing how much all your coppers and small change amounted too.

Looking forward, our last meeting this year is to be The Cannonball Scramble being run on 29th September. The Junior entry is full and the Sidecar and Expert places are being taken. We hope we may again have your support and round off what has been a very busy year for the Portsmouth M.C.R.C.
