# OFFICIAL PROGRAMME

**WARNING! MOTORSPORT CAN BE DANGEROUS**

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please comply with all instructions of Marshals and Notices. They are only concerned with your safety.  
**ONLY CROSS THE TRACK AT THE OFFICIAL TRACK CROSSING. DO NOT CROSS THE TRACK DURING RACING**

# Genetically modified

We've taken the winning genes from our World Championship factory machinery. Transplanted them into the new generation YZ models. And created the most technologically advanced range of motocross bikes ever seen.

The all-new long stroke YZ450F motor features an ultra-compact head with 5 titanium valves, and a track developed 4-speed transmission, giving a massive spread of race winning torque. And with its radical short wheelbase high-tensile steel chassis, lightweight brake systems and uprated suspension, this GP-bred 4-stroke is ready for combat!

Check out the evolution of the whole YZ species at your local authorised Yamaha dealer, take a look at [www.yamaha-motor.co.uk](http://www.yamaha-motor.co.uk), or call 01932 358121 for a brochure.
