FARLEIGH CASTLE

JULY 2/3 2022

WULFSPORT

KING OF THE CASTLE

Welcome Willkommen Bienvenue Bienvenido

Here we go again!

Farleigh Castle over the first weekend in July – there's no place in the world I'd rather be on this date and I know my hard-working team at Cumbria Twinshock feel the same.

What's not to like about one of the world's most iconic circuits – it flows, it's natural and I love it.

As always, I have to say a massive

thank you to the Cartwright Hignett family at Iford Manor along with Steve Thompstone, Ray Fox and Tom. You're all stars and without your support none of us would be here!

Stay safe, have fun and enjoy the weekend!

MOTOVERDE»

**OUR MISSION IS TO BE THE BEST CLEANER
AVAILABLE FOR EVERY PERSON'S ROAD AND OFF-ROAD
MACHINE.**

At Motoverde we have made it our goal to educate everybody about the harm that aggressive cleaners can cause to your pride and joy. We are passionate about our chemicals just as you are about enjoying your ride which is why we are committed to providing you with safe, high-quality products that are affordable to all.

Our journey began back in 2012 when we manufactured Bike Wash after an initial six months of endless testing to bring a safer alternative to the market. Within the last 9 years, we have expanded our product range to offer different sectors across multiple countries the safest cleaning products available.

Our products are manufactured in house by us in Coventry, UK with extensive research and development put into each new product to ensure the best quality possible. We understand how aggressive chemicals and cleaners can be, causing long term damage to your ride which is why we think everybody should be able to clean without worry. Our products are designed to be safe on all parts, surfaces and materials, whilst still being powerful and easy to use.

MOVE FORWARD. CHOOSE SALT-FREE.
