Well here we are.....again! Farleigh in July must mean "Kings of the Castle".

Once again this year we have a huge field of entries, some of you must really like this place? Unfortunately this has meant that some riders have been unable to get an entry as places for groups have been taken up fast. Oh if only we could run a three day meeting. However those that have got their entries in early are looking forward to pitting their machines and their skills against arguably one of, if not the best Motocross circuits in the country, Why? Cos you're all mad as cows the lot of you. Entries once again come from all over the country and include all types of machines, with riders of all ages and abilities here to compete in what has become one of the largest meetings of its kind in the UK today (possibly).

The list of riders this year includes Graham Noyce (who's he, we'll ave im, no worries) Roger Garrett, Jimmy Aird, Bryan Withers, Martin Coleman, Simon Cheyney and Guy Winsor along with firm Farleigh favourites Dugald Cullen, Andy Nurden, Rob Foden, Mark Cook and Piers Waddington. A huge line up of Clubman and Sportsman races will ensure close and competitive racing as riders such as Stuart Miller, Roger Vinall, Robbie Savill and possibly Archie Leishman battle for Clubman Honours, the Sportsman races will be just as competitive with riders Pete Spence and Geoff Wiltshire aiming for the top spot, Shane Sargood is in with a shout, his immaculately turned out machine able to soak up the hammering that this circuit dishes out, Andy Muxworthy back and in better form this year could also take the flag.

Some 20 Sidecars are entered this year, but the musical chairs of passengers and riders (did you see what I did there....chairs....sidecars, oh forget it) makes it difficult to predict a winner, however Jones and Eltham are strong contenders as are Wilkinson and Snell, Terry Parsons returns and could be the man to watch. Chris Batt returns to Farleigh having won here before and with new passenger Mark (oops we may have him as Mark Bisbet not Nisbet in the Programme, Sorry) He may well be the one to watch. Greg Wernham is passenger to Stickie Jarvis, his own stepson, who is not bad, not bad at all. Whatever the outcome of this weekends racing I am sure it will be as good to watch as it is to race.
