WULFSPORT

KING
of the
CASTLE

OFFICIAL PROGRAMME

Welcome Willkommen Bienvenue Bienvenido

A very warm – and very relieved – welcome to the fantastic Farleigh Castle for the 2020 King of the Castle!

As we all know, the first weekend in July was for many years the date of the British 500cc GP. We've been proud to keep this tradition alive but this time around the COVID-19 pandemic has changed all that.

At one point there was a question mark hanging over whether or not we'd even be able to run in 2020 but here we are at one of the world's most iconic tracks and, as my accountant always says when it's time to file my tax returns, better late than never!

Off-track things are going to be

different this year so please pay close attention to the rules we've been forced to implement to ensure the event can go ahead.

This means a 'track and trace' system, the use of social bubbles, social distancing, hand sanitiser stations and masks when signing on and in the holding pen where only riders and mechanics – one per rider – will be allowed.

On-track it will be business as usual with the usual bar-banging, all-out racing we've come to expect from this amazing event.

Super, smashing, great!
