Coordinators Crack

Hi and welcome Farleigh Castle for round 7 of the 2015 Scott Nationals Championship, cant believe its August already and here we are at round 7 with only one more round at Pontrilas to go, Now is the time of the year I'm getting venues and dates sorted for the 2016 season, and I'm pleased to be able to say that we are welcome back to all the venues we have been to this year, We are looking at some other venues for 2016 including a Trip to Ireland, i have been over to look at the venue and it is very good, we can race Saturday and Sunday over there and I'm sure the Irish lads will welcome us with open arms, even though i have already lit the fuse over there, when this paddy asked me how impressed i was with the speed and pace of the Irish lads, I told him we have faster women over here 😊😊.

I'm looking in to ferry deals and hope to come up with something soon, if we do include a Irish round we are thinking to run 9 rounds in 2016 and allow riders to drop one round so if riders don't want or cant travel to Ireland they will still be in with a shout in the championship, we are going to try and have a get together Friday night in the bar and throw a few idea's about and see what you the riders think, so if you can get to the bar about 8ish Friday we can have a crack about it there,

Talking Points,

We have again this year got stage time at the dirt bike show for our presentation it will be on the Saturday i will let you no the time when i get it confirmed, it was fantastic last year to have 33 riders out of 35 be at the show for the presentation (showed some of the other championships up with not many turning up for there's) it would be fantastic if we can do that again, we have a stand already booked at the show so if you can let me no after Pontrilas if you can make it to the presentation that would be good.
