MX Vintage Bonanza

2015 series

Pictures courtesy of Pip Spicer

Welcome to round four of the MX Vintage Bonanza 2015 series, and the old favourite venue at Ford Moto Park, the home of the vintage motocross bonanza. For this round we welcome the Partridge Ventilation 125s for a round of their excellent series, and promises some close racing for the spectators.

Don't forget the next round is at Ford again, but this time will be a SATURDAY RACE DAY with awards and presentation being held in the marque in the evening, judging by the fun at Marshfield it should be a good one with plenty of Bee Sting!

As from this meeting all riders will be given a certain coloured wrist band to represent what race you are in i.e red for 125 evo, green for 250 evo and so on and you will also be given a small disc to take to the start line which you must hand in at practice, no disc no practice, this is to stop people having 2 or 3 practices.

Please remember All Dogs must be on a lead at all times, and PLEASE TAKE ALL YOUR LITTER HOME OR USE THE SKIPS PROVIDED.
