## **BACK FOR ANOTHER NEWBURY BATTLE**

Welcome to this the 4th classic Battle of Newbury Cancer Research Charity Scramble. The enforced move to this venue from the Fox and Hounds (due to crop rotation) hopefully will provide us all with an even better days racing and a boost to last years donation to Cancer Research of £6000.

I personally have been in amongst a crowd of 30,000 spectators here at a 250cc Grand Prix. 10% of that amount would be fantastic? (dreaming).

Back to today's racing last year the twin shock boys saved the day when we clashed with a Pre 65 championship round. That is why we have welcomed them back today, as you will see the course has been eased to suit the older machines but should still present a challenging ride for you all. Have fun!

Yours in sport

Roger.
