**HUGE TANKARD
RANGE**
With 48 hr. Special
Engraving Service.
Ask about your own
Logo.

Avon Trophies have now been trading since 1981 and are fast building a reputation for having one of the largest selections of Sports Trophies and Presentation items in the area. Our stock of EPNS cups range from the smallest at 2" high to the tallest at over 30". Italian cups, goblets, hip flasks, Salvers and Rose Bowls make our stocks very comprehensive. Our range of hardwood trophies and shields covers every possible size and price, including

plain woods that can be "dressed" especially to customer requirements. We have specially introduced a very large Tankard range this year with a 48-hour engraving service for tankards only. This is to help with the last minute Club, Company or personal presentation that seems to crop up more often these days. Our engraving service covers all forms of work, with a special emphasis on plastic and laminate signs of any size and colour, mainly for industrial use. Brass, bronze and Nickel-plate plates and signs also supplied.

Quality, service, speed and efficiency, and a stock worth visiting are our trademark. BUT this

does not necessarily mean expensive! A look round our premises will soon show you that we not only have one of the best selections of Trophies, but one of the most keenly priced. As in every trade bulk buying enables us to remain highly competitive. Quantity discounts are available to Club buyers as are evening appointments for Club Secretaries or officials

who cannot get into us during the day. Write or telephone to MRS. ANN ERICSON for any further details or help you may require.
