## JOE

It is with great sadness that we have to announce the death on the 5<sup>th</sup> of October of Joe Greensmith.

Joe was not only a friend to everyone here at LKRC, officials and drivers alike. He was your Clerk of the Course and always tried to treat everyone fairly. He was also an active member on the LKRC Committee and a great supporter of the NKRA Championship. Joe was a person who always would give you time to chat and whom you could always rely upon to instigate new ideas and thoughts (Remember the Pace Kart). He will be sadly missed by LKRC and Karting has lost someone who simply aimed at putting something back into the sport.

Our condolences, support and thoughts are with Joe's family.
