THIS IS YOUR CLUB

Well, as you all can see this meeting is our TROPHY day and some magnif awards have been donated by the sponsors, shown elsewhere in this progra Coupled with the really close competition for the Championship, we really do this will be a superb meeting with the lads riding at their very best.

At present, the battle for the overall championship looks to be between Ford (250 cc) and Rex Caunt (125 cc), Charlie being only 2 points behind which means he has to win his class and then beat Rex again in the 125 to level. Should this happen a committee would have to decide the placings.

Roger Nicholls has the 350 and unlimited championship pretty well sti up and John Goodall the 500 but the 1000 cc is wide open as only 3 points sep Barry Seward, Bill Marks and Mike Wilson.

Dave Tyler and Andy Brown face a very competitive sidecar field, bu fighting hard they are expected to retain their position as No. 1 in this even

The Club would like to take this opportunity of thanking both Colin F and Nick Harris of B.B.C. Radio Oxford for their consistent support and in the Radio Station itself for its interest in the Club.

Thanks to you, too, the spectators, for you loyal support and enthusiasm the season and also to our racers who have given us such fine and skilful r throughout the season.

Let us not forget the "behind the scenes" staff who make these mee Marshalls, Scrutineers, Timekeepers, Commentators, Lap scorers, First Aid tendants, Doctors and last but not least the Ladies on the gate, who after the ing, have to pick up the litter (Subtle hint!).

We hope to see you all again next season with ever better meetings.

Thank you all, once again.

RADIO OXFORD

For nearly a year now BBC Radio Oxford have been devoting coverage to Road Race Meetings in its area, as well as covering local Scrambles, Trials, Grass Track and Speedway events and all matters relating to two wheeled projectiles. Motor-cycling goes out at 6.20 p.m. approximately on Saturday evenings and it sometime "pops up" again in the programme repeat on Sunday mornings; but there's also been live coverage in attempts to add flavour to the sports programmes. Gaydon has been in the fore-front of this and Radio Oxford hope to continue to spot-light meetings at this popular aerodrome circuit. The two men at the 'Mike' in the Banbury Road Studios in Oxford are ex-roadracer Colin Fenton and Nick Harris. Their highlight this year was to provide extensive live coverage of the Silverstone Grandprix featuring full commentry of the big race and they hope that this is the shape of things to come. Said Colin, "road racing for me is still the top sport. I was delighted during my first visit to Gaydon and Wroughton to find the same atmosphere at club meetings that I once knew so well. Our work is made a pleasure due to the great help we have received from clubs such as North Gloucester and we look forward to even better relations in the future."
