# THIS IS YOUR CLUB

Firstly apologies to Roger Corbett who was not given proper credit in the Wroughton programme, and as we all know, of course, he is indeed the North Gloucestershire Club Champion of 1973. This ommission was due to a typing error by your humble scribe, so apologies once again, Roger.

Rex Caunt leads the overall championship at present with 20 pts. from the 125 events and therefore also leads this capacity too. However, he is likely to be pressed very hard by Chas Ford (who in contention for the overall championship with 18 pts. in the 250) and no doubt Mick Cook will also make his presence felt.

Roger Nott (who won at Gaydon in May) returns to challenge Chas in the 250 race and as he is also riding in the 350, a really close tussle is bound to develop with Roger Nichols (who smashed the Wroughton track record), Barry Seward, Pete Elmore, Mike Trimby and Leon Lerego.

Roger's record in the 500 race was beaten by John Goodall in May at Gaydon and with Mike Trimby, Roger Keen, Derek Loan and Roger Cope all flying in this formation the record is likely to go yet again.

The 1000 cc race is as usual, wide open, with all the best from the above events plus Roger Corbett, Pete Thurley and Barry Seward.

An interesting note, newcomers who have done very well in Southern meetings, Roger Winfield and Rod Pickwell, are racing with us for the first time. As the man in the steel helmet said,—"Very interesting!"

The production events to date, have provided very close racing in all the classes however the favourite must be Roger Corbett to win with Bernard Pallin pushing him all the way.

Sidecar championship leader, Dave Tyler and passenger Andy Brown will be trying to extend their lead but hard opposition from Chris Nickells and Jim Widdas. Ken Vogl and Neil Shelton will push them all the way, with fast improving Larry Walker, Colin Willsmore and Harry Keetley joining the line-up this race should prove first class.

The unlimited race has not only the attraction of an "all star" line-up of our top riders, but as an added incentive, Mike Trimby on behalf of Messrs. Smith and Nephew has presented a really magnificent cup to be awarded to the rider gaining the most points over the season, and what with such a level balance of rider skill in this event, all this must add up to a new track record.

Our thanks once again to the "behind the scenes" staff of helpers and marshalls and special thanks to our time-keeper, Mr. Clapp (who, I swear has 4 pairs of hands), and Fred Clarke our commentator who does such a lot of spade work before the meetings to enable him to give such a sparkling commentary.

One last cry from the heart folks, **do** please pick up your litter and save the staff and our ladies that last extra miserable chore at the end of a hard day.

Thank you all very much, and please do enjoy your days racing.

COTTON CAVALIER EXPERTS TRIALS MODEL

COTTON CAVALIER STANDARD TRIALS MODEL

COTTON HIGHLANDER TRAIL BIKE

The Cotton Cavalier Experts was the only British machine to qualify for the 1972 British Experts Trial. It has a better record in competition than any other current British machine and you'll see it figuring in the results each week.

If you want results, you want a Cotton. So ask your nearest Cotton dealer for details of the Cavalier Experts (or any of the other Cotton machines). He'll be pleased to help you. Or you can write direct to:
