*Foreword*

Welcome to the third International Grand Slam, promoted by the present Astra Grasstrack Club, which we re-formed in 1996 with the permission of Bill Chesson the driving force of the original club. Our aim was always to find some way to run this meeting with it's legendary reputation at it's original venue Rhodes Minnis. Although we had a wait of 5 years we achieved our aim in 2002. Thanks to the kind co-operation of the new landowners Mr & Mrs C Rampton who will be presenting the trophies today

As a youngster my parents would always bring me here to watch my idols of the day in exciting and skillful racing. Some of whom were such well known stars as Reg Luckhurst, Don Godden, Alf Hagon, Arnie Hendrikson, Monty Banks, Ron Young and Nigel Mead .

They were just a few riders whom I tried to emulate during my own quite long career from which I retired in order to help my own son Paul to establish himself and learn his craft in Youth Racing and later with his grasstrack ,speedway & longtrack career.

Due to my early experiences at Rhodes Minnis as a youngster I wished to stage meetings here which gave the same buzz to young people as the original meetings gave to me. This is of course the prime reason for running the under 21 championships.

The nostalgia theme for this years meeting is the 1962 South Eastern Championships. Bjorn Knuttssen the winner of the 500cc solos is one of our guests today along with the 350cc winner Don Godden, the 250cc winner Alf Hagon and the sidecar winner Ron Young.

We have a very special guest today in one of my own contemporaries the ever popular Steve Schofield. He has made an astonishing recovery from his life threatening injuries and we have been able to persuade him to complete a lap of honour, on a bike especially built up for him by his great friend and long time mechanic Mark Holder. I rode against Scoie over a long period of time and he was always a great adversary and more important a friend The same can be said of Trevor Banks and Jem Doncaster who are still riding and still winning and are here today, although allegedly this is Donks last season.

Have a good day

*Graham Hurry*

## In Memorium

Brenda Jarvis

Who died suddenly in August will be sadly missed by all who knew her.

Brenda widow of the late Sid Jarvis and partner to Ted Jelf was always on hand to help with any grasstrack meeting and did so with her usual smile and wonderful sense of humour. She gave Graham and June a great deal of help and encouragement when they first formed this club.

Her love of motorbikes and speed (One of her last wishes was that her hearse should travel at 80 mph) goes back over 50 years, and started when she had her own bike on the road as a teenager. Which led to her meeting Sid and becoming a well-known and loved figure in the grasstrack world.
