

# RACEWORLD

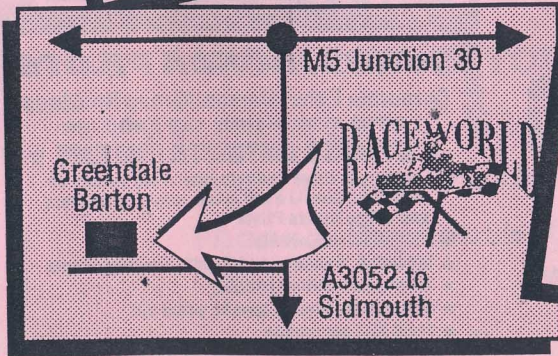

Did you know that you can now take part in one of the fastest growing leisure activities, indoor karting at Exeter's only permanent circuit?

We offer you the chance to race karts on our indoor circuit situated just 5 minutes from junction 30 of the M5. We cater for groups of 1 to 50 people and supply everything you require to take part.

Your evening will start with registration and then you will be provided with race suits, helmets and gloves. A full race briefing will ensure that you are familiar with the kart and the circuit.

After a session of practice your racing will start. You line up on the grid, the lights change to green and you race into the first corner. After 4 heats of action packed racing everyone takes part in the semi-finals. The top drivers then compete in a grand final and receive trophies and of course, a bottle of bubbly.

If you would like to race with us we run open meetings for individuals or small groups, exclusives for larger groups, and specialise in corporate entertainment.
