

Have wings, will fly.

Frederic Bolley. 1999 250cc Motocross World Champion.

It takes a lot to catch Frederic. No one did it last year. Probably the best place to start trying is at either of our Honda Motocross Schools. Call The Dave Thorpe School on 01344 620533, The CAS/Elf School on 01933 396310 or HUKRC on 0800 731 8180 and get ready to fly.

Honda Information Centre 0345 585 570
www.honda.co.uk

If you don't have wings, you'll never fly.

damn obvious

You're one of the world's best-ever dirt riders. So do you sign for the manufacturer that offers you the biggest pile of cash? Or do you go for the bike with the winning engine and chassis? It's damn obvious! Just ask the 1999 US Supercross Champion.

PRESENTATION of AWARDS

POINTS SCORING FOR TODAY'S MEETING

The 1st rider in each class gains 15 points; 2nd = 12 points; 3rd = 10 points; 4th = 8 points; 5th = 6 points; 6th = 5 points; 7th = 4 points; 8th = 3 points; 9th = 2 points and 10th = 1 point.

The winning rider in each class is the rider with the highest number of points.

All races shown in the programme will count.

Any additional races not shown in the programme will not count towards the overall position.

Any ties will be settled by the results of the last race in each class.

NEWS 1ST August 2000

Sidecars

Two former AMCA riders returned to the Association for the 3rd round of the Sidecar Championship held at Warmingham, Cheshire and made their presence felt. John Grahame passengered by Mike Stones won all three races scoring 60 points, while Brian Beresford and passenger Graham Stevens scored 48 points. Several comments were expressed as to how they were allowed to go straight into the championship as riders should register by March 1st. If that rule was enforced then several points scorers would not be eligible. Rules were relaxed last winter to allow riders into the qualifying events if they had not held a licence the previous year, room permitting. Due to the low number of riders in the Sidecar class it was not felt necessary to run qualifying events.

IMBA Team for Marshfield

The 3rd and final IMBA – AMCA International takes place at Marshfield next week (Aug 13th) when the 6th round of the 250cc/750cc class compete. The likely AMCA team will be – Richard Du'feu from Lancashire in 5th place after a fine 2nd at the last round in the Czech Republic – James Cumber from Bristol at present in 6th spot - young Simon Gower from the West Midlands who is 11th – Richard Cuff from Somerset who, despite missing three rounds is 14th – Christian Payne from Bristol who came in after the first two rounds and is 21st – Martin Beddoes from Shropshire lies 5th in the AMCA Championship and has only been able to ride in two of the previous internationals. Also invited to ride is the current AMCA 750cc Championship leader Gary Parker from Preston. The first of the 3 International races starts at 1.30pm with riders from 7 countries competing.

Graham Hughes

Former member of the Cannock club Graham Hughes died suddenly at his home near Cannock last week, the funeral was held on Tuesday August 1st. Graham rode with the AMCA in scrambles in the early 60's and was known as 'Fats'. He had taken early retirement and attended the AMCA's Re-Union at Brownhills last month and met several former members of the Cannock Club, many of whom attended his funeral, including John Davoll, the AMCA President.
