1984 BRITISH CHAMPIONSHIPS - 7th ROUND

Welcome -

To the fabulous Hatherton circuit for this, the 7th round of the new format championship. The course has been designed to extract the maximum effort from the riders and give you, the spectators, the ultimate in viewing the the superb combination of leaps and drops from many vantage points.

Dave Thorpe, David Watson, Pete Mathia, Carl Pope and many other top men have repeatedly expressed their delight with the Nantwich circuit and we sincerely hope that this time will be no exception.

Well, there seems little doubt that Dave Thorpe will once again be carrying the No. 1 plate at the end of the series. This unbeaten run in the series so far and his fantastic showing in the Grand Prix determines that it is only a matter of time before he follows in Noyce's footsteps as the next British No. 1 in the world.

However, with 30+ determined riders, all with the same aim, maybe this time one of them will take that chequered flag first. Kawasaki's - Laurence Spence has come mighty close, as has Suzuki's - Jem Whatley and that super-smooth Neil Hudson now over his injuries, may be this time ! !

Whatever the outcome, you will be assured of a great day's sport, so cheer on your favourites, you can be sure it really helps when the heat is on.

Wishing the best of luck to all the riders and an enjoyable day's sport for all.

E. Wilcox
Nantwich & DMC

PS : The club sends best wishes and the hope for a speedy recovery to Kawasaki's David Watson. Get well soon Dave.

TOP CLASS HELMETS AT MIDDLE CLASS PRICES

We all know that choosing a helmet is a serious business and we all want the best we can get: — but at a price we can afford. It's easy to pay a fortune for one, and even easier to get one on the cheap.

What is needed is a helmet that has style and quality but comes at a reasonable price. That is why we at Serval chose MDS as the only helmet we market. These lightweight fibre glass helmets are certainly stylish, five different sets of team colours no less; and their extra comfortable padding ensures easy riding.

Naturally they are BSI and ACU approved, but perhaps the most important thing about them is their price, no wonder Dirt Bike Rider gave the full face top five star rating for quality and value.

Other accessories shown: Oakley goggles, Stilmotor face mask, JT Racing Mouthtrap:
