# Welcome

To the famous Hatherton Circuit for the second round of the National 250c.c. Championships, supported by the Cheshire Motocross. Sponsored by Shell Super Oil.

The scene is set for you by the Nantwich Motor Club, and gratefully sponsored by the Japanese Motocross Manufacturers Association. Whose valuable support is most sincerely acknowledged.

Many of the top 35 riders in the country are entered with a first class supporting entry to make sure they get harried all the way to the flag.

With such a top class entry to cater for, and so that you the spectators can view the maximum of the action, we have re-designed the circuit to ensure your enjoyment and that the riders are tested to the full.

Well what about the riders? A brave man indeed who dares to predict the outcome of such an exacting sport. No flat out heroics will capture that coveted No. 1 plate, more a combination of stamina and skill with tactics, thought and concentration of paramount importance.

Nevertheless, we must have favourites and with the absence of the 1981 Champion Jonathan Wright, due to injury, the men to watch could be Kawasaki's Dave Thorpe and Paul Hunt, Yamaha's Pete Mathia, Roger Harvey and Perry Leask, Suzuki's Billy Aldridge and Jem Whatley battling with Honda men, Steven Beamish and Kevin Ruddock. Cheer on your favourites, it really helps when the heat is on.

So let battle commence. Wishing the best of luck to all the riders and an enjoyable days sport to you all.

E. Wilcox

# It charges more than we do.

**Lada Saloons and Estates from £2499\* to £3292\*.**

Who else offers a brand new four-door family car for £2499\* ?

Or a five-door Estate with 42 cubic feet of loadspace for £2699\*?

At these prices who else gives you such strength, space, reliability and comfort?

Only Lada.

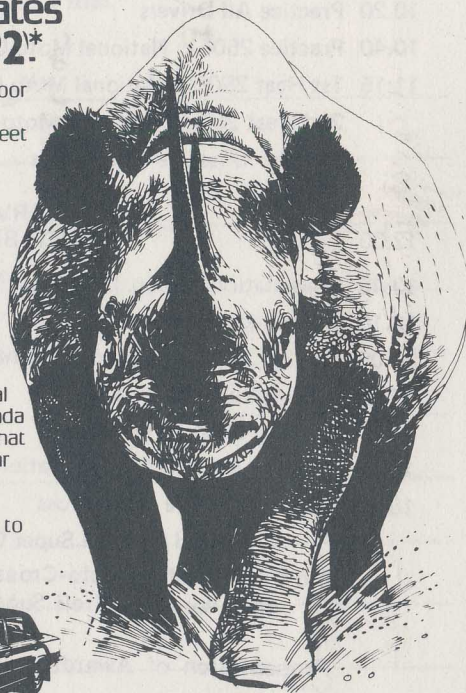

A value-for-money range of four Saloons and two Estates with an impressive list of features that even includes shatterproof laminated windscreens and Tectyl and underbody anti-corrosion protection as standard.

The fact is Ladas are also economical to keep on the road. For instance the Lada Cover Scheme means insurance rates that are in line with those quoted for popular British makes (Groups 2 and 3).

Whilst parts are not only readily available, they're also equivalent in cost to home manufacturers'.

Those are just some of the facts.

To find out more, visit your local Lada dealer tomorrow.

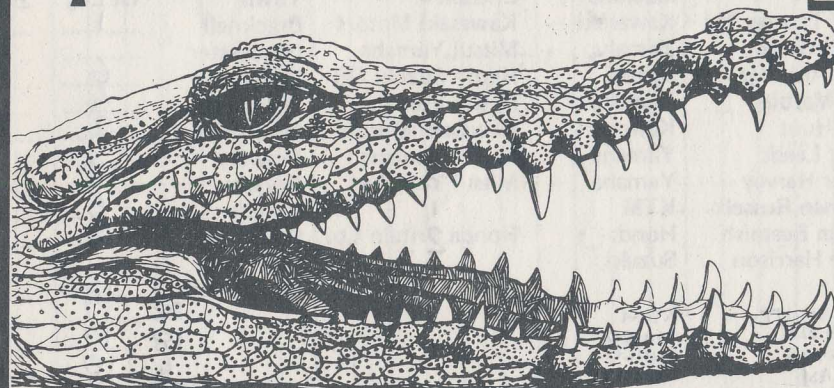

Prices and specifications correct at time of going to press. All prices are ex-works, including Car Tax, VAT and Front inertia reel seatbelts. The Lada guaranteed (141 on-the-road supplement (Mainland, 100W G to 100W dealers only) includes Delivery Standard Reflective Number Plates and One Year's Road Fund Licence (Private Vehicles only).

# A Lada won't cost you an arm or a leg.

**Lada Saloons and Estates from £2499\* to £3292\*.**

Did you know you can still buy a new four-door family Saloon for £2499\* ?

Or a five-door Estate with 42 cubic feet of loadspace for £2699\*? Two examples from the Lada range of four Saloons and two Estates that lack for very little in the way of strength, space, reliability or comfort.

A range with an impressive list of standard features that even includes a comprehensive 21-piece tool kit.

However Lada value doesn't end there, because they're also economical to keep on the road.

For instance the Lada Cover Scheme means insurance rates that are in line with

those quoted for popular British makes (Groups 2 and 3).

Whilst parts are not only readily available, they're also equivalent in cost to home manufacturers'.
