29 Grasmere Road, Harlescott, Shrewsbury, SY1 4DZ.  
(Tel. No. 57258).

Good afternoon folks, and welcome to Hawkstone Park for the last official meeting here of the 1970 season. We hope you enjoy the afternoon's entertainment, as indeed you should providing everything goes to plan. It is many a day since such a galaxy of stars have graced this track at any one time (TV. meetings apart) and they should provide some exciting racing whilst battling for the £100 first prize in the Midland Championship race. Incidentally, last year's winner of the trophy, Dick Clayton, is here to defend his title and he is not the sort of person to give up anything without a struggle, so challengers, beware!

Another battle could materialise in the Brian Stonebridge Memorial Race in which last year's winner Malcolm Rathmell, will be all out to retain the title against the opposition in the form of 1970 250 c.c. Champion Malcolm Davies, deposed Champion Bryan Wade along with John Banks, Alan Clough, Dick Clayton, Jimmy Aird, Arthur Browning and company.

Sparks could also be flying when the leading Midland Centre Club riders come up against each other in the Team Race. All these boys will be flat out to gain points for their respective clubs. Riders of note who will be competing in this event are Terry Challinor (Salop), Ray Jordan (Solihull), Stowe Brothers (Stratford), Elesmore Brothers (Redditch) Mick Eatough (Antelope), and Geoff. Burgess (Birmingham '30'). Team Positions after three rounds and also club colours, in which the various team members will be riding, can be found under heading of EVENT 4.

Some of you may have seen in the Motor Cycling press that the 'Hill' was at last to be replaced by a minor version, in order that the existing one would have a chance to be rested and allowed to recover from the hammering that it has had over the years. Unfortunately time has run out on us, and we have only been able to alter the course in other regions, this with the aid of willing assistants to whom we are extremely grateful. The modifications that have been made are, I am sure readily noticeable but to give you a guide, they are a) The "Tunnel" is now joined further along, this is an attempt to eliminate the "rutting" that occurs just at the entrance, and b) The Sand Pit has been cut out and there is one long straight right from the sand pit area up to the top of the hill.

While on the subject of thanking people for their assistance we should like to express our gratitude to the St. John Ambulance Brigade who volunteer their services at every meeting, and without whose presence these events could not take place. May we take this opportunity of asking you to make a generous donation to their funds when the collection is being made for them during the afternoon.

Once again, we wish you all an enjoyable and sporting afternoon, and please take care when driving home, we want to see you all again next time.

# LIQUID WASTE DISPOSAL

**You name it—we move it!**

Chairman of the Midland Centre of the Auto Cycle  
Union, to whom we extend our grateful thanks.

## PUBLIC NOTICE

Owing to the increasing number of thefts of and from motor vehicles at meetings similar to that which you are now attending, the Police strongly advise you to lock your car, or immobilise your motor-cycle, and to remove all articles of value from them. If your vehicle is stolen you may be re-imbursed for its loss, but you will get no compensation for the months of inconvenience suffered whilst awaiting the result of your claim. If you have left your vehicle insecure, spare a few minutes to immobilise it. It could save you hours in the weeks to come.
