FOREWORD

*by Jack Burnicle
with assistance from ROLLING ROCK!*

Oh no. January 1st. That must mean Hawkstone Park again. Whose idea was this, anyway? Quick, pass the paracetamol. You start the car. I'll pack the butties. Who's racing this year. Anyone good? Yeah. I heard they'd got two-thirds of Team Green out of bed. Paul Malin and his new team-mate Justin Morris, both riding 250 Kawasakis. Paul will be 20 this year. He must be feeling almost old with Justin around. He's only sixteen, isn't he?

Then there's the very old ones. Rob Meek. He keeps retiring, doesn't he? Then coming back. He's won this race before on a Yamaha. This time his mum says he's bought a brand new 500 Honda. Sounds serious. Till his knee cracks up again, that is. Nice guy, though. And fast round Hawkstone.

What about Stuart Coyle? The big Welshmans gone and signed a deal with Maico. Maico! Do they still make bikes? They must do. It says here he's riding British Championship and selected GPs on a 500 Regent Maico.

Then there's Matt Bates. He's still only 20, y'know. Made his Mitsui Yamaha debut here last year. Rode very fast but kept landing on his head when he wasn't flattening his handlebars. Let's hope he's learned to stay on and tighten up his handlebar clamps properly. That kid Kelly Swanson's on a 250 Kawasaki. Lee King, who thundered round last year on a Husaberg, is entered on a Yamaha. Will it be a 250 or 500? Surely he'd prefer a 500. And that Scottish boy David Campbell, who was very rapid here last year on a Honda. He's changed to Yamaha as well.

Are there any more Kawasakis? Why, do you like them? Well, Uncle Alec's always good for a laugh. Yeah, there's Rikki Priest and an ex-schoolboy star called David Thomson and those AMCA champions Adrian and David Bradley, who are brothers, aren't they? Stephen Holmes, who has lost his deal with Honda UK, will still ride a 250 Honda. So will Flash Gordon, who's landed a deal with Honda UK. Probably the one that Holmes lost.

Flash should have his usual band of bawdy fans around today, unless they've stopped in bed. Must be the AMCA. It's popular round here, y'know. Once an AMCA star, always a star in the Midlands. Matt Gordon and Rob Meek both were, weren't they? Aled Humphreys still is. At least he's got a 250 Suzuki this year. Last time he struggled on a 125 Yamaha. Any other Welshmen around? They usually like Hawkstone. Yeah, Dai Smith's making his debut on a Yamaha. He'd started going pretty quick on a 250 Honda last season. And there are several more Suzukis including those of Jason Rennie, Nathan Shelton and Lee Morrison (back after serious injury). It'll be interesting to see how, they go today.

That Liverpool kid Danny Tollett, who won the Schoolboy class here a year ago, is back on a 250 Honda. There'll be the usual schoolboy races again this time. They're always mustard. Plus those 'B' races for all the people who help out the club, and sons of old people who help out the club. Should be a good do. Are we there yet? Oh, I forgot. Happy New Year!

ANNOUNCEMENTS !!

It would be appreciated if all those attending today's Meeting would kindly read the following announcements, which are of direct interest and concern to them.

WARNING

MOTOR SPORT IS DANGEROUS AND PERSONS ATTENDING THE MEETING DO SO ENTIRELY AT THEIR OWN RISK.

"It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land and the drivers of the vehicles, are absolved from all liability arising out of accidents howsoever caused resulting in damage and/or personal injury to spectators or ticket holders".

POLICE NOTICE

Owing to the increasing number of thefts of and from motor vehicles at meetings similar to that which you are now attending, the police strongly advise you to lock your car, or immobilise your motor cycle, and to remove all articles of value. If your vehicle is stolen you may be reimbursed for its loss, but you will get no compensation for the months of inconvenience suffered whilst awaiting the results of your claim. If you have left your vehicle insecure, spare a few minutes to immobilise it. It could save you hours in the weeks to come.

DOGS

Under no circumstances are dogs allowed within the precincts of the Course. This ruling will be strictly enforced.

CROSSING THE COURSE

Under no circumstances should you cross the Course whilst racing is in progress—at such points where it is permissible to cross the Course, a marshal will indicate when it is safe to do so.

STARTING

A clutch start in conjunction with a mechanical starting gate will be employed in all races.

FLAG SIGNALS

Chequered Flag	Finish
Black Flag with number displayed	Driver riding machine bearing that number to stop.
Red Flag	Danger. All machines to stop.
Yellow Flag	Caution.

NOTICE TO RIDERS

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the paddock. Liability for any claim could rest with the owner of the machine being used (or the parents in the case of a 'minor').
