It doesn't matter if you're Josh Coppins or just commencing your dirt bike career, there's a Honda motocrosser for you. From the CR85R with big-wheel option, right up to Josh's mighty CRF450R. What DOES matter is that each Honda - from the

smallest to the fastest - is designed and manufactured around the same advanced engineering, innovative technology and race-proven reliability. So, if you're setting your motocross sights high, you'd better aim for Honda.
