

HONDA
The Power of Dreams

Get up, get on up

Josh Coppins - CAS Honda CRF450R

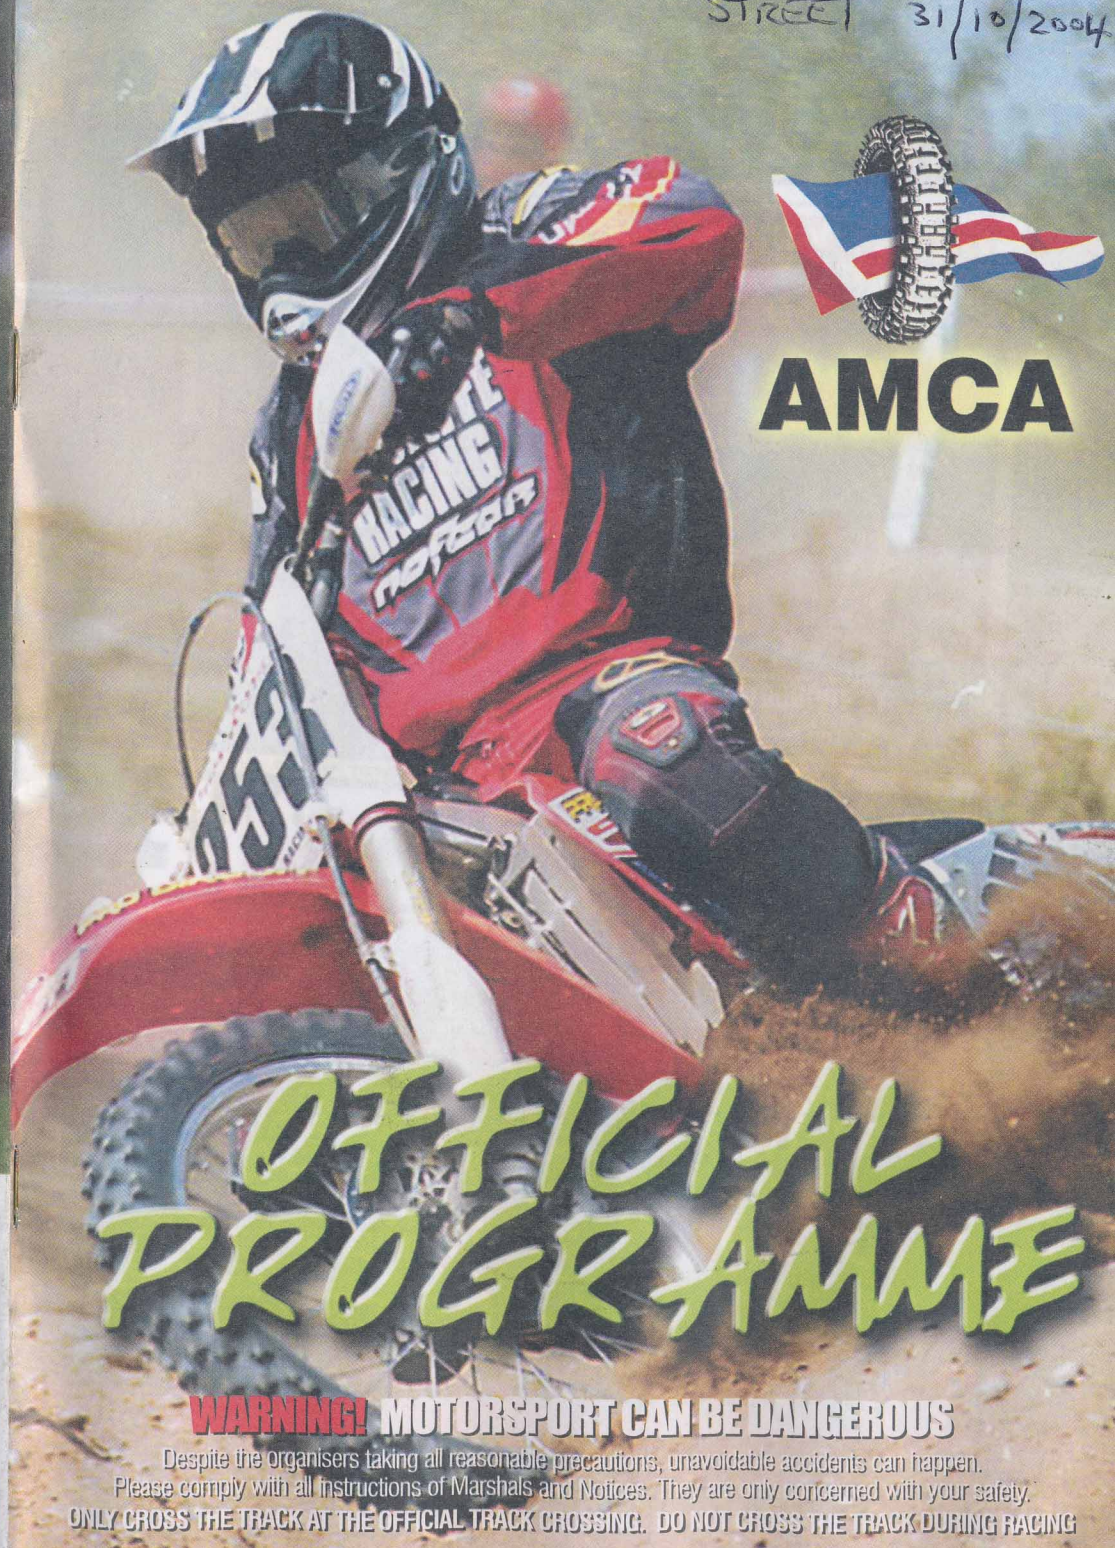

Stay on the scene with a Honda CRF250R or CRF450R and you'll be punching the air with delight. Thumping output and precise chassis engineering will give you the levels of power and handling that our factory riders demand. Match that to Honda's renowned race pedigree and you'll be getting up as high as you want to go.

DirrBikeStore.com is a well established company whose aim is to supply parts, clothing and accessories to all who ride bikes off road.

Whether you race Motocross at national level, enjoy your weekend Enduros or ride the Green Lanes for fun and fitness we are your one stop Online-Store for all your kit, consumables and spares.

The company is run by enthusiasts who have a great deal of personal

experience in all things off road. Amongst our staff we have people who have raced successfully in MX and Enduro, undertaken extended overland tours into the Sahara and worked in the bike industry clocking up some impressive years of experience.

Many of our products have been developed for us specifically to our own brief. From Crash Helmets to tyres and accessories, all weather kit to factory and freestyle graphics, we work very closely with the product manufacturers to produce the right product that works the way it should. We test and change all of our developed products personally until we are happy that we can supply you with the right product at the right price.
