Hi Folks!

We do hope you are ready to enjoy a grand day's racing, with plenty of excitement to watch.

Once again the Crawley & District M.C.C. have the privilege of hosting this British Championship. We are calling this 'The Triple Header' as there are three championships at this one event, definitely value for money.

At this stage of the Motocross season the Championships are still very much open, as all competitors are trying to score those all important points, therefore this makes for some hard exciting racing.

We feel very lucky to have the World Champion Sidecar Crew, Daniel Willemson & Sven Verbrugge here today, also two other top international sidecar crews. Our own Swiss Grande Prix winners Chris Etheridge & John Chambers will certainly not let them have it all their own way though, as they lead the championship by some 19 points from Stuart Brown & Luke Peters. Of course the riders from other countries are not eligible to score points towards the British Championships; however our lads just enjoy having the chance to compete against these European guys.

The big Fourstroke machines are really something to see, and with 40 of them going off the start line together it really is a breathtaking sight. Watch out for the two local Smyth brothers from Scaynes Hill. Twenty-four year old Danny leads this championship by just 2 points. Twenty-one year old Jody is 11th, but will be looking to improve on that for sure. Last year's top men, Neil Sheppard, Rikki Priest, Greg Hanson and Phil Mercer are doing their best to change this lead, and Jon Barfoot must not be forgotten as he is the second rider on the current position list. Ray Smith from Capel, Surrey, riding a Vertemati, is going extremely well lying 6th. Another local lad to watch out for is Yan Dixon from Handcross.

The country's top 125 cc riders compete in the Under 21's championship. Their ages range from 16 to 20. Leading at present is Glen Phillips from South Wales, closely followed by Wiltshire lad Tom Church. The leadership can change at any time as these 125 cc machines are very fast and competitive.

Our Thanks go to the Horsham Motorcycle Club for allowing us to use their track today. I am sure you will agree that this is a superb circuit with excellent viewing areas, for you the important spectator.

With refreshments and a licensed bar, you will enjoy a great time here today, watching some of the finest riders in the country and in some cases the world. Drive with care on the narrow roads leading from the circuit and have a safe journey home.

Stella Slight

Secretary of the Meeting.
