### HULLAVINGTON ROAD RACES — SATURDAY, 22nd SEPTEMBER 1991

R.A.F. Hullavington is the venue for this the final points scoring round of the 1991  
championship season.

This 1.35 mile circuit was last used six years ago, so many of the present riders will be facing  
a new challenge.

Current club champion Barrie Middleton is one of the riders who raced here last time, but he  
will be hoping for a better turn of luck this time round as Bradford-on-Avon's Barrie left  
Hullavington with a broken bike and a broken arm back in 1985 but still managed to finish fifth  
in the 350cc championship behind winner Darrell Higgins. Six years on the tables are turned as  
Middleton leads the 350cc class by just 5 points from Melksham's Higgins, with High  
Wycombe's Steve Shea and Chippenham's Neil Higgs both just 3 points further back with all  
four men well capable of taking the victory and the crown.

The 250cc class is being lead by Chippenham's Mark Walker on his TZ Yamaha. Walker is  
still looking for that elusive first 1991 victory and must go for it as he holds just a 2 point margin  
over Barrie Middleton with Steve Shea third. Keevil sensation Allan Blasdell will be looking to  
transfer his good form here on his 250 Rotax. The man who could throw a spanner in the works  
though is Aldbourne's Royston Keen on his TZ V Twin Yamaha. Royston makes a welcome  
return after a season of British Championship Super Cup races which included a superb 4th  
place at Brands Hatch.

The 600cc event looks like being a three way fight with Chippenham's Mike Nickless on the  
New RG 500 Suzuki and Kingswood's Richard Peers Jones on his TZ 350 Yamaha trying to  
chase down Stockbridge rider Colin Morris on the FZR 600 Yamaha, but several other riders  
including Swindon's Taylor Racing backer Mark White on the CBR Honda and Thatcham's Gary  
Grey, the Keevil victor in April on his ZZR Kawasaki could cause the top three major  
problems.

Bridgwater's Russell Benney will be absent from Hullavington as he will be competing in the  
World Endurance Championship at Le Mans in France on his ZXR Kawasaki so he will be  
pleased in the knowledge that he has already clinched the 750cc class championship for  
1991.

One rider who has benefited from Benney's absence is Hythe's Chris Hook as it means that  
Chris who has just returned from the Manx Grand Prix where he competed on an RC30 Honda  
cannot be caught by his nearest challenger Nick Williamson in the 1100cc event. Chris has  
now handed back the RC30 to his sponsor and wheels out his own GSX 750 Suzuki which has  
replaced his old 1100cc GSX R, and although slightly down on power the characteristics of the  
Hullavington circuit will probably suit the 750 better. Keep an eye out for Shaftsbury rider  
Andrew Dawson on the 1100 Suzuki he has put up some creditable performances on the  
machine which is in production specification, he has surprised many of the established riders  
and is certainly one to watch in the future.

The 250cc Production title chase could not be closer with High Wycombe's Steve Shea and  
Southampton's Gavin Lee both RGV Suzuki mounted just one single point apart. Lee will  
definitely have the upper hand after winning both of the last two rounds, while Steve will be  
hoping to re-capture that form which took him to victory at Pembrey first time out this year. You  
can guarantee that Taylor Racing pair of Mark White and Mark Chapman will be doing all they  
can to end the season on a high note, and if they cannot win they will make their fellow  
competitors work for the victory that will take them to the championship.

The 600cc production title has already gone to Swindon's Mark White on the CBR 600  
Honda, while the 1300cc proddie class will be fought out between Andrew Dawson and Philip  
Weston both GSX 1100 Suzuki mounted.

The Single Cylinder Event sees Wrexham's Allan Warner on his 500cc KX Moto X based  
Kawasaki crowned as class champion on 37 points, 16 clear of nearest challenger Jon Sinclair  
on a 550 KTM. Sinclair crossed the line first last time out and for sure will give Warner  
something to think about during the 6 lap final.

The Sidecar class is headed by Andrew Saunders and Steve Allen on their 750 Yamaha and  
Marlborough's Bike Buster backer pair of Roger Lovelock and Frazer Sutcliffe on the long  
wheelbase 1000cc Kawasaki 5 points adrift but on top form at present.

The overall club championship honours look to be between Chris Hook 37 points (1100cc),  
Allan Warner 37 points (Singles) with Saunders and Allen 35 points (Sidecar) not far behind  
plus a whole host of other riders in contention including Mark Walker (32 points), Steve Shea  
(31 points) and Barrie Middleton (30 points).

All trophies for the 1991 season will be awarded at the Dinner Dance and Presentation  
Evening at The Prestbury Suite, Cheltenham Racecourse, on Saturday, 23rd November. Ticket  
from Russell Gardner, 5 Longborough Drive, Abbeymead, Glos. GL4 7SF at £17.00 each. Once  
again all trophy winners will receive one FREE ticket.
