The 14th Inter Centre SIDECAR TEAM TRIAL

Organised by
The Southern Motorcycle Club (IOM) Ltd.
on behalf of the A.C.U.
Permit No. ACU666

23rd April, 1989

Foreword

On behalf of your Clerk of the Course and his enthusiastic committee, I welcome you all to the Isle of Man and this the 14th Inter Centre Sidecar Team Trial, to old friends of the Manx Two Day, to new sidecar crews and spectators alike.

We have 11 A.C.U. Centres represented (including our own) making 44 outfits. Within these are past winners and top placed crews of the British Championship and the Manx Two Day. Your Clerk of the Course has done a lot of work to give you a good variety of going, by using most of the route of what we call the Southern Full Day Trial, which includes the Slabbs etc., old favourites of the Manx Two Day.

To use an old saying: "May the best team win." To everyone else, have a good ride, take in the good Manx air and scenery, renew old friendships and make new ones in this the friendliest of all bike sports.

Hope to see you all again on September 2nd for the Manx Two Day.

Andy Smith
Centre Appointed Steward and
Sidecar Clerk of the Course for the Manx Two Day
