## APPRECIATION

The grateful thanks of the club go to the Red Cross, Dartford, Kent County Council Constabulary, and to members and friends who have acted as Marshals and Officials, and to the Riders who have made this meeting possible.

**WARNING: Motor Sport is dangerous and persons attending the meeting do so entirely at their own risk.**

It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of this meeting, including the owners of the land and the drivers and owners of the vehicles, are absolved from all liability arising out of accidents howsoever caused resulting in damage and/or personal injury to spectators or ticket holders.

Permit C 08045

TTC 90/28

## FLAG SIGNALS

Chequered ..... Finish  
Yellow ..... Caution Danger Ahead  
Red ..... Danger all machines stop  
Black with number displayed .. Driver bearing that machine number to stop

## NUMBERS

Regulation size. One in front, plus one each side, following colours:

125 cc - White on Black

250 cc - White on Green

350 cc - White on Blue

351-500 cc - Black on Yellow

Over 500 cc - Black on White

Make sure your numbers are readable - remember the lap scorers.

This competition is held under the National Sporting Code of the A.C.U., together with any approved Supplementary Regulations.

## RIDING IN THE PADDOCK

Once again attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the Paddock.

All too frequently at meetings children are allowed to ride machines in the mistaken belief that because a race paddock is on private property and outside the jurisdiction of the Road Traffic Act, no insurance is necessary. It cannot be stressed too strongly that liability for a substantial claim could rest with the owners of the vehicle and the driver. (Or the parent in the case of a minor.)

The Union's insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.

## CARAVAN TOILETS

Please do not empty your chemical toilet in the general public's toilets during the meeting.

# British Championship

**T**oday sees a welcome return of sidecars to this popular and exciting Kent track with the fifth round of the **1995 Qualifying Series**.

Heading the championship after the first four rounds are Rob Oldfield/Colin Dunkley on 87 points, from Steve & Luke Peters only 1 point behind. In third place are the Harron brothers, Ray & Robert on 68 points travelling the long and costly journey from the Emerald Isle. Also from Ireland are Geoff Ingram/Colin Addis who have been one of the best in the Irish Championship over the last few years.

Without a doubt the most exciting entry is the comeback of Shaun Mallows with his old passenger Jason Peters. Shaun and Jason were World Championship G.P. race winners in 1992 and 1993. The big question is - have they lost any of their speed and spectacular riding style so much admired in G.P.s Personally, I doubt it and it will be difficult for any of the full line up of 30 crews to get anywhere near them.

Several ex British Championship crews are amongst the entry including the Day brothers, Thacker/Hutchman, Thomas/Davis, Marshall/Wheaton together with top A.M.C.A. pairing of Martin Guildford and Mike Philp who has passengered Chris Etheridge in G.P.s a couple of times.

The racing should be exciting to get amongst the points, such is the fierceness to win places in next year's British Championship. Enjoy it, but don't get too near the fencing on corners when Mallows/Peters are near.

Eddie Herd

## Sidecar Qualifier

### ADDITIONAL NOTICES

The organisers, the A.C.U. and the Landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the Car Parks.

Spectators are warned of the danger presented by wandering animals and therefore the Club insists on all dogs being leashed.

Land suitable for running events is still in very short supply. Having found this course the Sidcup & District M.C.C. want to keep it. It is with this in mind that we appeal to both spectators and competitors to have consideration for the local population by driving carefully and quietly in the narrow roads leading to the course. Please do not leave paper or litter behind, it all has to be cleared up by tired voluntary helpers after the meeting.
