## Supplementary Regulations

**Practice:** Minimum 2 laps free practice. A board at the finish line will indicate that timed training has commenced (approx 2 laps).

### Juniors Qualification:

Following timed training of all groups the fastest third from each group will qualify for the A group. The next third will form the B group and the remainder the C Group. Each group will then race over three legs to determine the final results.

**Start line positions:** Experts as per timed training results. Juniors positions from timed training results of Group 1, 2 and 3.

### Rider Numbers:

Regulation size. One in front, plus one each side, following colours: MX2 up to 125 two stroke/250 four stroke - Black plates with white numbers.

MX1 250 two stroke/450 four stroke - White plates with black numbers

Sidecars yellow plates with black numbers

Make sure your numbers are readable – remember the lap scorers.

*This competition is held under the National Sporting Code of the A.C.U., standing Moto Cross Regulations of the S.E. Centre together with any approved Supplementary Regulations.*

Competitors are reminded to be conscious of security with regard to all of their equipment and machines at all times. Do not leave vehicles unattended whilst at this venue.

## Environment Notice

The event today is organised under the guidelines of the ACU. Both riders and spectators are requested to comply with all instructions of the organisers in respect of environmental matters

## ADDITIONAL NOTICES

**Motorcycle Sport can be dangerous and children should be supervised by a responsible adult at all times.**

The Organisers, the A.C.U. and the Landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the Car Parks.

Spectators who bring dogs should keep them on a lead at all times, wandering animals can be dangerous. Suitable land for events is in short supply. The Club reminds all spectators and competitors to have consideration for the local population by driving carefully and quietly in the narrow roads leading to the course. Please do not leave paper or litter behind, it all has to be cleared up by tired voluntary helpers after the meeting.

### Crossing the Course

Under no circumstances should spectators cross the course whilst racing is in progress.

### Abandonment or Cancellation

The organisers reserve the right, subject to the approval of the Stewards of the Meeting, to cancel, postpone or abandon the competition if circumstances should arise which, in their opinion, render such action necessary.

### Public Address:

dpasound [www.dpasound.com](http://www.dpasound.com)

Caterer: Wynnings & Weaver

### Caravan Toilets

Please do not empty your chemical toilet in those used by the general public during the meeting.

## APPRECIATION

The grateful thanks of the club go to the St John Ambulance Northfleet Division, Kent County Council Constabulary, to members and friends who have acted as Marshals and Officials, also to the Riders who have made this meeting possible.

## Exhaust Sound Level

The Clerk of the Course may exclude any machine which exceeds the maximum permitted sound level, or which in his opinion is deemed to be excessively noisy. Sound checks will be conducted by an official throughout the meeting.

## Unauthorised Riding

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. Because the event is on private property it does not place it outside the Road Traffic Act in terms of insurance. It cannot be stressed too strongly, that liability for a substantial claim could rest with the owners of the vehicle and the driver (or parents in the case of a minor) in the event of an accident.

## Course Length 1.8 Km

## Points System

The following scoring system will be used for all races today. 25: 22: 20: 18: 16: 15: 14: 13: 12: 11: 10: 9: 8: 7: 6: 5: 4: 3: 2: 1.

## WARNING

### MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please comply with all instructions of marshals and notices and remain in permitted areas only.

**THEY ARE CONCERNED WITH YOUR SAFETY**

**Welcome** to Canada Heights once again for the fourth round of the SEMX Championship and round four of the Sidcup MCC Club Championship. We have a good line up of experts as well as a good entry in the Junior class. Following the great success of the Vets class at the opening event this season, we are pleased to see them back again.

Race order today returns to the more familiar pattern with the Experts starting off the proceedings, followed by the three groups of Juniors then the Vets.

Following more recent thefts, we would ask all riders not to leave machines and any equipment unattended at any time while at the venue.

Our events are run by a dedicated team of keen volunteers, whose sole aim is to provide the safest and most enjoyable events for all to take part in. As you enjoy your day, whether racing or watching, spare a thought for the dedicated first aid team, meeting officials and marshals.

Finally, please use the rubbish bins provided or take it home with you, the club takes pride in providing you with a clean and tidy environment each time you visit us.

Finally, thank you for racing with Sidcup MCC, have a safe and enjoyable day here at Canada Heights.

*John Powell (Entry Secretary of Meeting).*
