Allcomers "B" & "C" (Trophies First Six Overall) EVO Trophies TBA

Thanks to Eastwood Racing

Welcome

to Canada Heights for the July Motocross, at the time of writing the continued heat wave is relentless and the lagoon looks very pitiful, but 30,000 litres of water will be arriving before the weekend to top up what we have, this worked out well at the recent MX Nationals event here with the team working late into the night on the bowzers and pumps. Sidcup MCC have made some track modifications to lower the average lap speed, the super quick downhill towards the whoops has changed and the quick uphill back straight has also been cut in half, we recommend a track walk to familiarise riders before they twist that throttle. We hope you enjoy the changes and a big thank you to the track team for such quick earthworks.

Today we see the return of the ever popular EVO's and a round of the 2018 Eastern EVO MX Series. EVO spec, any bike manufactured between 1981 and 1989 with a monoshock. Super Evo is pre 97 (no alloy frame Honda's) Machines should have original frame, engine and braking systems. Look out for Bradley Tomlin, Jason Morland and local ace Brett Fisher who have been battling it out at recent rounds. I will personally be following Jon Barfoot who was an inspiration to many up and coming motocross boys in the schoolboy TV series Superchamps back in the 90's.

Back to 2018 and the Allcomer groups feature some very quick lads (and older lads) in the shape of Mark Eastwood the current SEMX champion, whose career features a multitude of championship's in the UK, Europe and the USA, Marks SEMX championship took a knock last time out as his Trusty Wiseco Honda Racing CRF450 cried enough, Mark commented afterwards "I knew it was overdue a rebuild but been so busy in the workshop I kept putting my own bike to the back of the queue". Leading the 2018 SEMX championship is Connor Hughes, a win at round 1 and some consistent podium spots leaves Connor in a very strong position for the SEMX championship. Super cross champ Jack Brunell will again be on the ASA2 Stoke KTM, last time out at Canada Heights Jack took 3 wins on the unfamiliar bike in preparation for a round of the 2 Stroke Maxxis British Championship at Desert Martin N.I in which he finished a superb 6th overall, other prominent names to look out for are Luke Gidney another local lad Ben Lambert-Williams and Eastern centre's own Kieran Clarke.

On to the Junior's, never afraid to mix it with the Experts with many just a few points away from reaching their own illusive ACU Expert status.

Biggin Hill's Tye Green currently leads the championship with some solid rides despite the Yamaha 250 2stroke's inability to climb the Canada Heights start straight against the mighty 4 strokes, Jamie Cox and Ben Crane will be amongst the front runners and its these 3 that will be favourite's for the 2018 SEMX Junior championship.

This year the ACU have implemented the wearing of body armour (front and back) our scrutineer's will be checking randomly on the line and you will be pulled if you have not complied. We will also randomly check for fire extinguishers at your van.

Don't forget after the meeting riders and spectators can reflect on times, positions and overall positions using the MyLaps website or the new MYLAPS Speedhive app on your iPhone or Android device.

Sidcup MCC would like to thank St Johns Ambulance Northfleet led by the wonderful Edna Worrall MBE whose dedication to the sport is relentless.

On a sour note: Motocross is blighted at the moment by low life who travel to meetings countryside with one thing in mind to steal bikes, generators and anything they can get away with, despite our CCTV footage being shown to Police we are pretty much on our own, lock everything and watch out for your neighbours belongings as well as your own.

Special thanks to Eastwood Wiseco Honda racing who for the third year running have boosted the prize money to £1000.00 per SEMX meeting.

Finally please take all your rubbish back to the bins or home with you as whatever litter is left has to be picked up by a volunteer who would much rather go home early after a good days Motocross racing.

Thanks for racing with Sidcup MCC and we hope you have a safe and enjoyable day at Canada Heights.

The Sidcup MCC Committee.

Timed Qualification

Part of each Allcomer group's Practice session will be timed to decide the qualifiers for Groups A, B and C.

The fastest 33% from Q1, Q2 and Q3 will form the A Group. The next 33% will form the B Group. The remainder will form the C Group.

Unauthorised Riding

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. Because the event is on private property it does not place it outside the Road Traffic Act in terms of insurance. It cannot be stressed too strongly, that liability for a substantial claim could rest with the owners of the vehicle and the driver (or parents in the case of a minor) in the event of an accident.

Course Length 1.8 Km

Points System

The following scoring system will be used for all races today. 25: 22: 20: 18: 16: 15: 14: 13: 12: 11: 10: 9: 8: 7: 6: 5: 4: 3: 2: 1.

FLAG SIGNALS

Red	Danger all riders to stop
Black with riders number	That rider to stop immediately
Yellow (static)	Danger take care, drive slowly
Yellow (waved)	Great danger, prepare to stop, no overtaking
Blue (waved)	Warning, you are about to be lapped
Green	Course Clear
Yellow with diagonal black cross	Last Lap
Chequered	Finish

WARNING

MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please comply with all instructions of marshals and notices and remain in permitted areas only.

THEY ARE CONCERNED WITH YOUR SAFETY

COPYRIGHT

All literary matters in the official programme including the list of competitors and their racing numbers is copyright and any person making illegal use thereof will be prosecuted. It is also a condition of admission to any event held under the ACU Permit that no part of the meeting can be filmed or video recorded and/or video transmitted in any way without the written consent of the promoters and/or organisers and/or the ACU except for the sole purpose of private enjoyment.

Environment Notice

The event today is organised under the guidelines of the ACU. Both riders and spectators are requested to comply with all instructions of the organisers in respect of environmental matters

NEW ACU RULE FOR YOUR PROTECTION

There is a new ACU rule this year for Motocross events. It is now compulsory that riders/passengers wear as a minimum, back and chest protectors incorporated within the suit or worn separately. It is also advised that all competitors should wear a body belt/kidney protector. Checks will be made at technical control and the holding area at the start.

Don't Forget!

Every rider is required to have a 2kg dry powder fire extinguisher. These should be presented at the time of Technical Inspection
