Welcome to Canada Heights for the 3rd round of the SEMX Championship and the 4th round of the Sidcup MCC Championship, today's meeting is the second running of a Sidcup Motocross meeting with dedicated Marshals supplied by the club rather than the age old tradition of riders supplying a Marshal to secure their ride, Alan Crook and his team did a fantastic job and we welcome them all again today.

This meeting will be run again using the Allcomers format, which means the quick Juniors who have not earned their Expert points yet are in for a shout to win a slice of the £1000.00 prize money that is once again sponsored by Eastwood Wiseco Honda Racing.

Obviously the young guns will be flying out of the gate and Mitchell Lewis (Jnr), George Turner, Ryan Nock, Kieran Clarke and Bradley Skinner will be charging out of the gate and heading for the elusive Canada Heights win and top positions all day long.

Sidcup MCC once again welcome The Eastern EVO's, today Championship leader and defending champion Brett Fisher along with Alexander Hornsby, Michael McClurg, Glen Bixby and Jason Morland to name a few will be charging on the Evolution bikes that changed the Motocross World dramatically from 1981 till 1989 with the revolutionary monoshock suspension, to ensure an even playing field machines have original frame, engine and braking systems. Today the EVO's will be first out to play which should help the riders get an early getaway on the long haul home.

Also the running order after the heats as per programme will be "C group" then "B group" and finally "A group" which will give us an exciting race of the day.

Don't forget after the meeting riders and spectators can reflect on times, positions and overall positions using the MyLaps website or the new MYLAPS Speedhive app on your iPhone or Android device.

On a sour note: Motocross is blighted at the moment by low life who travel to meetings countryside with one thing in mind to steal bikes, generators and anything they can get away with, despite our CCTV footage being shown to Police we are pretty much on our own, lock everything and watch out for your neighbours belongings as well as your own.

Our thanks as always to Edna of the St Johns medics and her dedicated crew and BM Ambulance Service Ltd who will work with the St Johns team to once again give top medical cover at our meeting.

Finally please take all your rubbish back to the bins or home with you as whatever litter is left has to be picked up by a volunteer who would much rather go home early after a good days Motocross racing.

Thanks for racing with Sidcup MCC and we hope you have a safe and enjoyable day at Canada Heights.

The Sidcup MCC Committee.

Don't Forget!

Every rider is required to have a 2kg dry powder fire extinguisher. These should be presented at the time of Technical Inspection

Timed Qualification

Part of each Allcomer group's Practice session will be timed to decide the qualifiers for Groups A, B, and C.

The fastest 33% from Q1, Q2 and Q3 will form the A Group. The next 33% will form the B Group. The remainder will form the C Group.

Unauthorised Riding

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. Because the event is on private property it does not place it outside the Road Traffic Act in terms of insurance. It cannot be stressed too strongly, that liability for a substantial claim could rest with the owners of the vehicle and the driver (or parents in the case of a minor) in the event of an accident.

Course Length 1.8 Km

Points System

The following scoring system will be used for all races today. 25: 22: 20: 18: 16: 15: 14: 13: 12: 11: 10: 9: 8: 7: 6: 5: 4: 3: 2: 1.

Riders be aware of a new flag signal

Yellow with Red Cross : Medical Crew & Officials in attendance on live race track. Proceed with extreme caution, riders must significantly reduce speed and roll each jump individually with no overtaking until past the area of concern.

N.B. Only authorised officials are permitted to use these flags. Any rider who is judged to have taken unfair advantage whilst a yellow flag is displayed and waved, or ignored any other flag signal, may be disqualified.

COPYRIGHT

All literary matters in the official programme including the list of competitors and their racing numbers is copyright and any person making illegal use thereof will be prosecuted. It is also a condition of admission to any event held under the ACU Permit that no part of the meeting can be filmed or video recorded and/or video transmitted in any way without the written consent of the promoters and/or organisers and/or the ACU except for the sole purpose of private enjoyment.

Environment Notice

The event today is organised under the guidelines of the ACU. Both riders and spectators are requested to comply with all instructions of the organisers in respect of environmental matters

Canada Heights Circuit

NEW ACU RULE FOR YOUR PROTECTION

There is a new ACU rule this year for Motocross events. It is now compulsory that riders/passengers wear as a minimum, back and chest protectors incorporated within the suit or worn separately. It is also advised that all competitors should wear a body belt/ kidney protector. Checks will be made at technical control and the holding area at the start.
