## S.P. MEATS SIDECAR QUALIFYING SERIES 1998

This year's championship is being headed by two North Eastern crews after mixed fortunes hit the sidecar brigade at the last round of the championship at Stebbing, the bad weather and water hole appeared to be more than a match for a number of crews. Angus Waller with Tony Parker in the chair are atop the table and a clear 23 points ahead of the popular County Durham rider, Paul "Barnie" Barnfather, this year being partnered by Andy Sheppard. Angus is riding a mighty Zabel engined EML whilst Paul is campaigning a trusted 500 Honda. Alex Duff and Duncan Coltart managed to hang on to third spot despite two DNF's, whilst brother Phil unfortunately ended the day in hospital and is now down to ninth. Steve and Kevin Barley from Mitcham in Surrey will be looking to reclaim their place in the top three to obtain one of the coveted reserve spaces for round 6 of the Euro Motosport British Sidecar Championship to be held here at Canada Heights on July 12th. Steve Hyde and Andy Thomas will be looking to blast their sweet sounding Jumbo EML into the top three and the fast improving David Gray and Ian Galley will be looking to move into the top three of the Junior championship.

*This competition is held under the National Sporting Code of the A.C.U., standing Moto Cross Regulations of the S.E. Centre together with any approved Supplementary Regulations.*

### APPRECIATION

The grateful thanks of the club go to the Red Cross, Dartford, Kent County Council Constabulary, and to members and friends who have acted as Marshals and Officials, and to the Riders who have made this meeting possible.

### WARNING

#### MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen.

Please comply with all instructions of marshals and notices and remain in permitted areas only.

#### THEY ARE CONCERNED WITH YOUR SAFETY.

Permit C 17394 TTC 84/60 CR

### ADDITIONAL NOTICES

The organisers, the A.C.U. and the Landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the Car Parks.

Spectators are warned of the danger presented by wandering animals and the Club insists on all dogs being leashed. Land suitable for running scrambles is still in very short supply. Having found a good course the Sidcup & District M.C.C. want to keep it. It is with this in mind that we appeal to both spectators and competitors to have consideration for the local population by driving carefully and quietly in the narrow roads leading to the course. Please do not leave paper or litter behind, it all has to be cleared up by tired voluntary helpers after the meeting.

### RIDING IN THE PADDOCK

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the Paddock.

All too frequently at meetings children are allowed to ride machines in the mistaken belief that because a race paddock is on private property and outside the jurisdiction of the Road Traffic Act, no insurance is necessary. It cannot be stressed too strongly that **liability for a substantial claim could rest with the owners of the vehicle and the driver.** (Or the parent in the case of a minor.)

The Union's insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.

### CARAVAN TOILETS

Please do not empty your chemical toilet in the general public's toilets during the meeting.

## Timetable

Scrutineering: 8.30 to 9.30 a.m.

Practice: 10.00 to 11.00 a.m.

### Abandonment or Cancellation

The organisers reserve the right, subject to the approval of the Stewards of the Meeting, to cancel, postpone or abandon the competition if circumstances should arise which, in their opinion, render such action necessary.

### Crossing the Course

Under no circumstances should you cross the course whilst racing is in progress. At such points where it is permissible to cross the course, a marshal will indicate when it is safe to do so.

### Course Length 1.2 miles
