*This competition is held under the National Sporting Code of the A.C.U., standing Moto Cross Regulations of the S.E. Centre together with any approved Supplementary Regulations.*

Competitors are reminded to be conscious of security with regard to all of their equipment and machines at all times. Do not leave vehicles unattended whilst at this venue.

## APPRECIATION

The grateful thanks of the club go to the St John Ambulance Northfleet Division, Kent County Council Constabulary, to members and friends who have acted as Marshals and Officials, also to the Riders who have made this meeting possible.

Permit No. ACU15307

## ADDITIONAL NOTICES

Motorcycle Sport can be dangerous and children should be supervised by a responsible adult at all times.

The Organisers, the A.C.U. and the Landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the Car Parks.

Spectators who bring dogs should keep them on a lead at all times, wandering animals can be dangerous. Suitable land for events is in short supply. The Club reminds all spectators and competitors to have consideration for the local population by driving carefully and quietly in the narrow roads leading to the course. Please do not leave paper or litter behind, it all has to be cleared up by tired voluntary helpers after the meeting.

## EXHAUST SOUND LEVEL

The Clerk of the Course may exclude any machine which exceeds the maximum permitted sound level, or which in his opinion is deemed to be excessively noisy. Sound checks will be conducted by an official throughout the meeting.

## UNAUTHORISED RIDING

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. Because the event is on private property it does not place it outside the Road Traffic Act in terms of insurance. It cannot be stressed too strongly, that liability for a substantial claim could rest with the owners of the vehicle and the driver (or parents in the case of a minor) in the event of an accident.

## CARAVAN TOILETS

Please do not empty your chemical toilet in those used by the general public during the meeting.

Entrants whose names do not appear in the programme will not qualify for any points or prize money and will be riding with 300+ numbers.

### Crossing the Course

Under no circumstances should spectators cross the course whilst racing is in progress. At such points where it is permissible to cross the course, a marshal will indicate when it is safe to do so.

### Abandonment or Cancellation

The organisers reserve the right, subject to the approval of the Stewards of the Meeting, to cancel, postpone or abandon the competition if circumstances should arise which, in their opinion, render such action necessary.

**Course Length 1.8 Km**

**Public Address:** dpasound

**Caterer:** Weaver Bros.

## WARNING MOTORSPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please comply with all instructions of marshals and notices and remain in permitted areas only.

His entire outlook had changed, he has now altered his goals for the season's outcome, and, he will succeed!!*

*Example - we recently worked with a consistent top 10 competitor who knew that he had the ability to succeed but felt that he held back, and just couldn't break through. The following week he won for the first time and knows that he can continue to succeed.*
