WELCOME TO Canada Heights and our first open meeting since the Maxxis British Championship Meeting was run. Entries have been very brisk and we have a full house of 180 Juniors and 40 Experts.

Can we remind you that whilst we lap score by transponders we also need to see clear numbers as the timing team have to make sure everyone's transponder is in the system and they will need to lap score your numbers to make sure everyone is recording. MX2 is a class for 120cc to 150 cc twostrokes or 175cc to 250cc fourstrokes and they have white numbers on a black background whilst MX1 is a class for over175cc to 250cc twostrokes or 251cc to 450cc fourstrokes and they have black numbers on a white background. If your numbers are not clear you will be refused at your technical inspection.

Talking of numbers do you know about the SEMX permanent number scheme? For just an annual fee of £5 you can have a number reserved for you for the whole year and then if you want to have special decals made for your bike or a shirt printed you can be guaranteed the same number. This can be purchased via the ACU Online entering scheme or e mail Les Batten at lesbattenfamily@ntlworld.com

We wish everyone a safe and enjoyable days racing and look forward to seeing you at our next meeting on July 20th when we will be hosting a round of the NGR Championships.

Exhaust Sound Level

The Clerk of the Course may exclude any machine which exceeds the maximum permitted sound level, or which in his opinion is deemed to be excessively noisy. Sound checks will be conducted by an official throughout the meeting.

Unauthorised Riding

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. Because the event is on private property it does not place it outside the Road Traffic Act in terms of insurance. It cannot be stressed too strongly, that liability for a substantial claim could rest with the owners of the vehicle and the driver (or parents in the case of a minor) in the event of an accident.

Course Length 1.8 Km

MOTORSPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please comply with all instructions of marshals and notices and remain in permitted areas only.

ADDITIONAL NOTICES

Motorcycle Sport can be dangerous and children should be supervised by a responsible adult at all times.

The Organisers, the A.C.U. and the Landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the Car Parks.

Spectators who bring dogs should keep them on a lead at all times, wandering animals can be dangerous. Suitable land for events is in short supply. Abandonment or Cancellation
