Bikers meet Wednesday evenings and Sunday mornings

Welcome to Sidcup MCC at Canada Heights and round 4 of the 2015 SEMX championship.

The new for 2015 track has now had three big meetings thrown at it, we are constantly making improvements to fine tune the layout as we learn how it rides and we hope you enjoy the experience of this historic and famous circuit.

Today's meeting has Neville Bradshaw (272) attending and he clearly enjoyed his Maxxis British Championship ride as he tweeted at the time "Really enjoyed riding my dirt bike today.. (While it lasted). Canada Heights was prime! Massive crowd"

Today we have a large entry of visitors and the event was full in the Junior class 12 days before close and I am afraid a lot of regular riders failed to get an entry so it's a good idea to enter in good time via the easy ACU on-line system, our next event is July 19th and is open now.

We are blessed at Sidcup MCC with a fantastic team of medical personnel who give up their free time and a friendly greeting goes a long way when you see one, remember without them we would all be twiddling our thumbs.

If you own a road bike don't forget our Bike night July 17th just turn up (free entry) and enjoy the banter, Bar-B-Q and refreshments and have a stroll around the bikes which will include Road, Race & Dirt.

Hope you all have a fantastic day, and please, please take your rubbish home with you and clear up around your vehicle even if it's not yours.

Thanks for supporting Sidcup MCC.
John Powell (Entry Secretary of Meeting).
