

WORKS FOR THE CR250R. WORKS FOR THE CR125R TOO.

The all new, head turning Honda CR125R has the look of a true champion. The innovative lightweight twin spar aluminium frame features dual box section twin spars strong enough to take on the toughest circuit, providing remarkable handling at racing speed.

We've modified the engine too, and given it a 5-speed gearbox for a more comfortable range of shifting ratios.

Exhaust valve size and shape have been changed for increased power output. New ignition timing and cylinder port timing give better high r.p.m. feel, whilst new flexible reed valve improves throttle response with better low to mid-range control.

Bolt that lot into a frame that's based on the current world champion CR250R and you've got a gutsy, unbeatable combination that'll have the competition eating dirt.

The Shape of the Future... ...backed up by hard facts

Fact: Yamaha rider Alessio Chiodi blitzed the opposition to win the 1997 World 125cc Championship on his production-based Yamaha YZ125. **Fact:** Yamaha's radical new YZM400F 4-stroke won races at five 500cc Grand Prix in its debut season. **Fact:** Doug Henry made motocross history by taking his Yamaha YZM400F to the first ever Supercross win by a 4-stroke at Las Vegas in May. **Fact:** Yamaha motocross bikes won more Grand Prix races in 1997 than any other manufacturer. **Fact:** Yamaha is the only manufacturer to win races in all three Grand Prix categories – 125cc, 250cc and 500cc – in 1997.

You're looking at the beginning of a new era in the off road world.

Equipped with a high-agility 250-sized chassis and pumping a super-wide band of 500-class torque, the awesome new 55 horsepower YZ400F 4-stroke is undoubtedly the shape of the future.

Running with uprated motors and modified chassis designs, the latest GP-developed YZ125 and YZ250 are ready to win at every level – while our YZ80 and YZ80LW get tough new high rigidity frames.

'98 YZ. The widest choice of winning motocrossers. Ever!

STOP AT NOTHING... WITHOUT DP PRO-MX!

If you're going to ride like a winner, you should stop like one. With the #1 choice of off-road and motocross champions everywhere. Sintered metal brakes from the company that pioneered them ... DP Brakes.

Always on technology's cutting edge, DP Brakes continues to lead the industry with their new DP Pro-MX

premium off-road brake pad. Two years of intensive R&D deliver an industry-high "HH+" friction-rated pad that easily outperforms original equipment and other off-road pads. All that plus quick break-in/ initial response, a high-tech ceramic heat shield and no brake fade.

DP Brakes ... because you'll have to stop at least long enough to pick up your trophy.

AMCA NEWS

10th May, 1998

No: 11/98

Hawkstone Park

The two day meeting last weekend saw nearly 400 different riders competing with 4 Championship classes on the Sunday plus the Clubman Class. While on the Monday over 200 riders mainly from the West Midlands and Border groups rode. After Sunday's meeting the big hill had to be cut out due to the downhill drop wearing away and it was felt unsafe for the less experienced riders who were riding on the Monday.

Red Flags

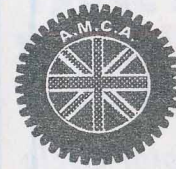

Both days had races stopped due to crashes with John Price from the Bridgnorth club coming off in the 3rd Clubman race while Martin Beddoes also had a spectacular crash in the 2nd 250 race off the start. He was detained in hospital overnight but was spectating on the Monday while Price was not taken to hospital. On Monday there were 6 races stopped including 3 in the 125 class and at one time there were no ambulances left on the circuit so delays were inevitable.

Watering

Despite the recent wet weather the track had to be watered on Sunday twice and again after the meeting ready for Monday but the conditions were nearly ideal.

Marshalling

With riders helping on the Sunday three shifts of marshalls worked well with over 100 people helping for an average of a 3 hour shift. Among those helping was former champion Allan Craig whose brother was riding in the 125 Championship. A big thank you to everyone who helped and for their attitude, no complaints were heard, the system seemed to work well as there was no club running the event - just a combined effort.

AMCA NEWS

Chester Club Want Twinshocks

A reminder that the Chester Club on Sunday are looking for twin shock riders for their moto cross on Sunday at Lloc in North Wales. Contact Nigel Seaburg (01352 756634) at the club, their last event had to be postponed as the fields were too wet.

Derby Off

A late cancellation last weekend was the Trent Valley groups Moto Cross due to have been held at Alport heights. The club were informed late in the week that the first aid could not attend. Unfortunately the Hereward Moto Cross could not accept all the riders entered for the Derby event due to parking problems.

Druids Off

The Border event on Sunday 10th May due to be run by the Druids club at Shelve has been cancelled as the club don't feel the entry of 89 riders is sufficient to run. The club were due to discuss the situation later in the week about another date or possibly running a different type of event.

Nantwich - May 17

Please note there will not be One Day Licences or Late Entries for this event and all riders competing are by invitation only and will be mainly from the West Pennine group who are help to run the event.

Trent Valley

The Lincoln club hope to run a moto cross at the Wigsley track in August and a reminder that anyone seen practising will be disciplined. It is not allowed at any time. If it continues then the track will be lost to the sport.
