MOTORWAY REMOULDS

Motorway Remoulds have been used for crossing the hot Sahara desert and in the cold Alpine conditions of the Monte Carlo Rally.

Now everyone wants to cross deserts or compete in rallies—
But that's how we prove our tyres.

Of course **our** Remoulds are factory tested
and **YOU** can buy them for everyday motoring

Why don't YOU try them?

They're very good!

Don't Forget. Ask for them by name
