## 'KAJ BOURNEBUSCH IS ALIVE'

by

**Roy Buchanan**

(Motocross Editor — Motorcyclist Illustrated)

In the fifties a wealthy young Swedish student came to England and, in between his book-work, did some scrambling. When he left he donated a trophy as a token of appreciation to the club who befriended him. His name is Kaj Bournebusch and he now lives on the Continent. The meeting which bears his name is also very much alive and if you need proof you have only to look at to-day's entry list.

Sidecar motocross gives the British a chance to hold their heads high once again. We have at this event some of the home riders who can mix it with Europe's — indeed the World's — best. There are the winners of the British Sidecar Grand Prix, Nick Thompson and Dave Beavis on the Heanes Norton. On the Denselube Weslake John Turner and north-countryman Pete Logan will make it difficult for any one who fancies his chances and hard riding Terry Good, on the Pegasus Norton, is bound to have wings. Completing the English contingent will be Andy Wilkins, Tony Hall, Bob Spencer and Bob Gollner on the immaculate but screaming Kawasaki.

But to-day's race is an international affair so from Belgium comes Pierre Borms riding a Norton Wasp and Boudenign De Kort on another Kawasaki. Representing France will be Pierre Piron on his own special with a Yamaha engine. Star of the meeting last year was the globe-trotting Dane, Per Jorgenson, whom we hope will have time to drop in to delight the Chalton crowd. And who could mistake West Germany's Josef Brockenhausen whose Hagon Hedlund must be one of the most unusual machines on the track.

I can say with confidence that you will enjoy this Portsmouth Club promotion because it has a good sidecar entry and chairmen, being the sportsmen they are, never let you down.

### WARNING

**MOTOR RACING IS DANGEROUS AND PERSONS  
ATTENDING THE MEETING DO SO ENTIRELY  
AT THEIR OWN RISK**

It is a condition of admission that all persons having any connection with the promotion and/or conduct of the meeting, including the owners of the land and the drivers and owners of the vehicles and passengers in the vehicles are absolutely absolved from all liability arising out of accidents, however caused, resulting in damage and/or personal injury to spectators.

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the paddock.

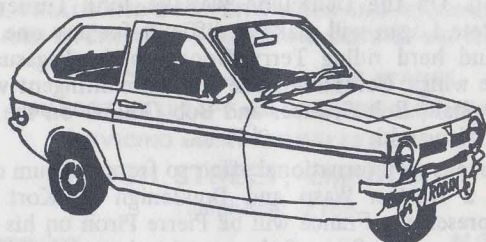

Liability for any claim could rest with the owner of the machine being used (or the parents, in the case of a minor).
