**DOGS**

**THEY ARE CONCERNED WITH YOUR SAFETY**

# MARSHALL INSTRUCTIONS

We would like to take this opportunity to thank all the Marshalls at our meeting - without you we would be unable to hold such an event. The role of a Marshall is as important as any other official, you are the only person who can warn oncoming riders of a hazard on the track, you must be sure that you do not put yourself or others at any risk. Your job is to warn oncoming riders of hazards on the track, if there are two Marshalls to a point then the other is to assist in clearing the hazard if possible from the track as quickly as you can.

There are a number of Rules which you should all take into account as follows:

1. Never go onto the track until the flag marshal is showing the appropriate flag signal.
2. In the case of an injured rider on the track, only move the machine to protect the rider from the oncoming riders. **DO NOT ATTEMPT TO MOVE THE RIDER.**
3. Try to discourage any spectators from going onto the track. The signals which they could give might only confuse riders and restrict the full use of the available track.
4. In the case of any suspected serious injury do not allow anyone other than the Paramedics to remove the helmet or machine from the track.
5. Do not allow anyone under the age of 18 to be on the point with you.
6. **DO NOT GIVE YOUR POSITION OR YOUR FLAGS TO ANYONE ELSE WITHOUT FIRST SEEING THE CHIEF MARSHALL OR THE CLERK OF THE COURSE.**
7. Make certain you have signed on with the Secretary of the Meeting on the Marshall Sheet **BEFORE** commencing to go onto the track whatsoever.
8. Note any Rider who ignores your signals and report their number to the Clerk of the Course as soon as you can.
9. If a rider breaks down between you and the next Marshall point show your **YELLOW FLAG**. If the rider is injured then show both **YELLOW and WHITE FLAGS**.
10. Always watch the track in the direction of the racing. You should be watching the back of the bikes as they go away from you.

### PRESENTATION CEREMONY

## THANKS FROM LANGRISH MOTOR CYCLE RACING CLUB

On behalf of The Langrish Motor Cycle Racing Club, I would like to welcome you all to this famous motocross event. This year we have reached the 45th year, a truly fantastic achievement.

The members of The Langrish Club have once again put together a two day programme of Classic and Modern Solo and British Championship Sidecar Racing, together with the British Quad Cross Championship. Thrills and spills are guaranteed to keep your nerves on edge for the whole weekend.

We are pleased to again be hosting the Pre 89 Evo Class, which incorporates the Dave Thorpe Evo Championship. This has been a very well supported class together with all the other Twinshock Classes and again the Partridge Ventilation Pre 83 125cc British Championship. We hope that you will support these riders, who wanted to return again to Langrish this year and we hope that you all thoroughly enjoy the Racing.

You may not be aware, but this is the only event in Europe where you will be able to watch both Solos and Sidecars racing at the same event which I believe gives all disciplines the opportunity to join together, which hopefully allows for some brilliant racing to watch and terrific value for money.

We must also thank the riders in the Support Race on Monday, as without them this event would not run. They work tirelessly week after week building and putting the track up, so it is transformed from a farm field into this wonderful Motocross track, and all this just so they can enjoy a ride at the event.

We must also thank all the Medical Staff and Paramedics, Marshals, Track Repair Teams, all the numerous Helpers and Officials – too many to name personally, but they all do such wonderful work behind the scenes to ensure the Ken Hall Motocross maintains its reputation, as without them this event would not be the success it is.

Our thanks must as ever go also to the Lambert Family for allowing us onto their farm and for all the support we are given to make this event happen.

Please make sure that you take a look around the trade stands, I am sure they will have some special offers to tempt you and also the catering vans, where you can sample a burger or hot dog together with other delicious food on offer and also a drink from the Bar.

Finally, last but not least, we would like to say a Big Thank You to all you spectators for supporting this 45th meeting of the Ken Hall Trophy and all the friends and families for coming to support us, as without you this would certainly not be the event it is.

Have a Great Weekend of Racing and we look forward to seeing you all Next Year.  
**Allison Longhurst** *Secretary of the Meeting*
