NOTICE TO THE PUBLIC

This event is being held on private property and you are strictly forbidden to cause damage in any way. Spectators are forbidden on the Course or in the Competitors Paddock or to proceed beyond the spectator area. Persons ignoring the Course Marshalls do so at their own risk. The Promoters do not accept responsibility for any accident arising therefrom.

POLICE NOTICE

Owing to the increased number of thefts of and from motor vehicles at meetings, the police strongly recommend that you lock your car and immobilise your motorcycle. The organisers advise that any such occurrence is at your own risk and accept no responsibility or liability whatsoever.

DOGS

Under no circumstances are dogs allowed within the precincts of the course.

CROSSING THE COURSE

Under no circumstances should you cross the course while racing is in progress. At such points where it is permissible to cross, a marshal will indicate when it is safe to do so.

COPYRIGHT

All literary matters in the official programme, including the list of competitors and their racing numbers is copyright and any person making illegal use thereof will be prosecuted. It is also a condition of admission to any event held under a ACU Permit that no part of the meeting can be filmed or video recorded and/or transmitted in any way without the written consent of the promoters/organisers and/or the ACU except for the sole purpose of private enjoyment.

WARNING MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please comply with all instructions of marshalls and notices and remain in permitted areas only.

50th Ken Hall Trophy Cross Celebrations

On August bank holiday, the 28th & 29th, the Langrish MX Club will stage the 50th Ken Hall Motocross. The event will be held at it's historic venue at Manor Farm, in the village of Langrish. The circuit is one of the best known in Europe, famous for its steep climbs, and hair raising decents. Over the last 50 years, the venue has hosted five world championship sidecar GPs, 11 British championships and 22 solo and sidecar internationals. The very first event was staged in 1966 in memory of a local rider - Ken Hall, who was a top class national moto crosser, but was tragically killed during a grass track race in Dorset.

As this left his wife and young family with no "breadwinner" a local farmer, George Lambert, stepped in to help. He drove his bulldozer up and down the steep banks on his farm to create a track. "There you go, he told us, now get on and raise some money for Ken's little ones". The Ken Hall trophy was born and the event has been steeped in history ever since. The Langrish club members have many stories to tell about the last 50 years and many will be recalled at a massive party in the beer tent on the Sunday night. However, the celebrations kick off with a trial at the venue on Saturday 27th. The Waltham Chase club will be taking care of this to entertain the many campers who will be allowed to camp from Friday noon.

Sunday then sees a unique team race for evo machines. Each team will consist of one 125cc rider, one 250cc rider and one 500cc rider. The qualification races for the Ken Hall solo support races, together with super evo, and open twin shock races, will complete the first day of the celebrations. Monday is when things get serious. The finals of the solo support are first up, followed by a round of the ACU Vets Championship. Some riders in this class will rush back from their world round in Holland. The international sidecar race will see the best crews from the UK up against top crews from Europe.

The Ken Hall solo, is the star of the show. Top riders have become household names by winning the Ken Hall Solo Trophy, and many others have strained every sinew trying, but will still have fantastic stories to tell their grandchildren. The line up for the Ken Hall Solo will include many of the riders from the ACU Maxxis Championship, plus some from abroad.

So there you have it, 50 glorious years of moto cross as it should be. Come and help us celebrate this unique event on one of the most spectacular tracks in Europe, right in the heart of the beautiful South Downs National Park.

Allison Longhurst
Event Secretary of the Meeting

MARSHALL INSTRUCTIONS

We would like to take this opportunity to thank all the Marshalls at our meeting - without you we would be unable to hold such an event. The role of a Marshall is as important as any other official, you are the only person who can warn oncoming riders of a hazard on the track, you must be sure that you do not put yourself or others at any risk. Your job is to warn oncoming riders of hazards on the track, if there are two Marshalls to a point then the other is to assist in clearing the hazard if possible from the track as quickly as you can.

There are a number of Rules which you should all take into account as follows:

1. Never go onto the track until the flag marshal is showing the appropriate flag signal.
2. In the case of an injured rider on the track, only move the machine to protect the rider from the oncoming riders. **DO NOT ATTEMPT TO MOVE THE RIDER.**
3. Try to discourage any spectators from going onto the track. The signals which they could give might only confuse riders and restrict the full use of the available track.
4. In the case of any suspected serious injury do not allow anyone other than the Paramedics to remove the helmet or machine from the track.
5. Do not allow anyone under the age of 18 to be on the point with you.
6. **DO NOT GIVE YOUR POSITION OR YOUR FLAGS TO ANYONE ELSE WITHOUT FIRST SEEING THE CHIEF MARSHALL OR THE CLERK OF THE COURSE.**
7. Make certain you have signed on with the Secretary of the Meeting on the Marshall Sheet **BEFORE** commencing to go onto the track whatsoever.
8. Note any Rider who ignores your signals and report their number to the Clerk of the Course as soon as you can.
9. If a rider breaks down between you and the next Marshall point show your **YELLOW FLAG**. If the rider is injured then show both **YELLOW and WHITE FLAGS**.
10. Always watch the track in the direction of the racing. You should be watching the back of the bikes as they go away from you.

Racing for the
JEFF FREEMAN
42 Shield

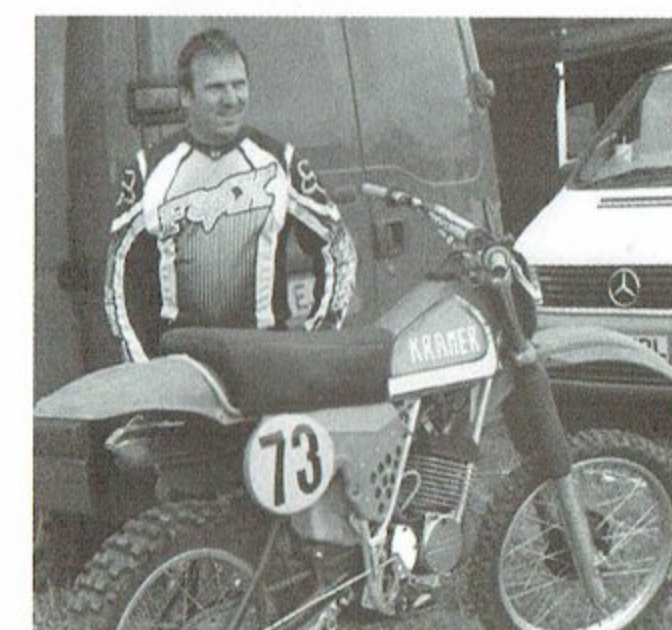

This year sees the second running of the "Jeff Freeman 42 Shield" in honour of my good friend "Jeffro" who

passed away in June 2014. A shield will be given to the overall winner in the twin shock class. Anyone who has ridden motocross in the Southern Centre in the last 25 years will almost certainly have come across Jeff and will certainly have been infected by his enthusiasm for our sport. Jeff was a huge twin shock supporter and rider. Having been diagnosed with a brain tumour in 2004 he disregarded the illness and carried on riding and building twin shocks as if nothing was wrong, until almost the day he died - spending hours each day building twin shocks in his workshops in Froxfield. To this day he remains my inspiration and was my inspiration when I started many years ago, always helping me put bikes back together when I didn't have a clue. He rode the Ken Hall twin shocks here many times and his ashes are on Cold Hill along with his good friend Ozzy the bull terrier.
