THE W M C C WELCOME YOU TO LANGRISH 1994

Welcome once again to Manor Farm, Langrish, which is situated in the beautiful Meon Valley of Hampshire.

Manor Farm has been the home of The Ken Hall since 1966, also for the last three years The British Round of The World Sidecar Moto-Cross.

This year we have a new Clerk of the Course, Chris Warren, who came to the committee with the brilliant idea of combining The Ken Hall and a British Sidecar Championship Round. Our enthusiastic Chris has negotiated the best of British Solo and Sidecar riders, which makes for an exciting days racing.

The Manor Farm Circuit is a natural course with steep hills and spectacular jumps, which makes it one of the finest in the UK for riders and spectators alike.

Our sincere thanks go to the Lambert Family for allowing us on to the farm and making this event possible, also the local police for their co-operation in controlling the traffic.

Langrish is a quiet little village, so please drive carefully.

Have a good days racing and a safe journey home.

Eddie Austen
President WMCC.

THE KEN HALL NINE RACE SPECTACULAR

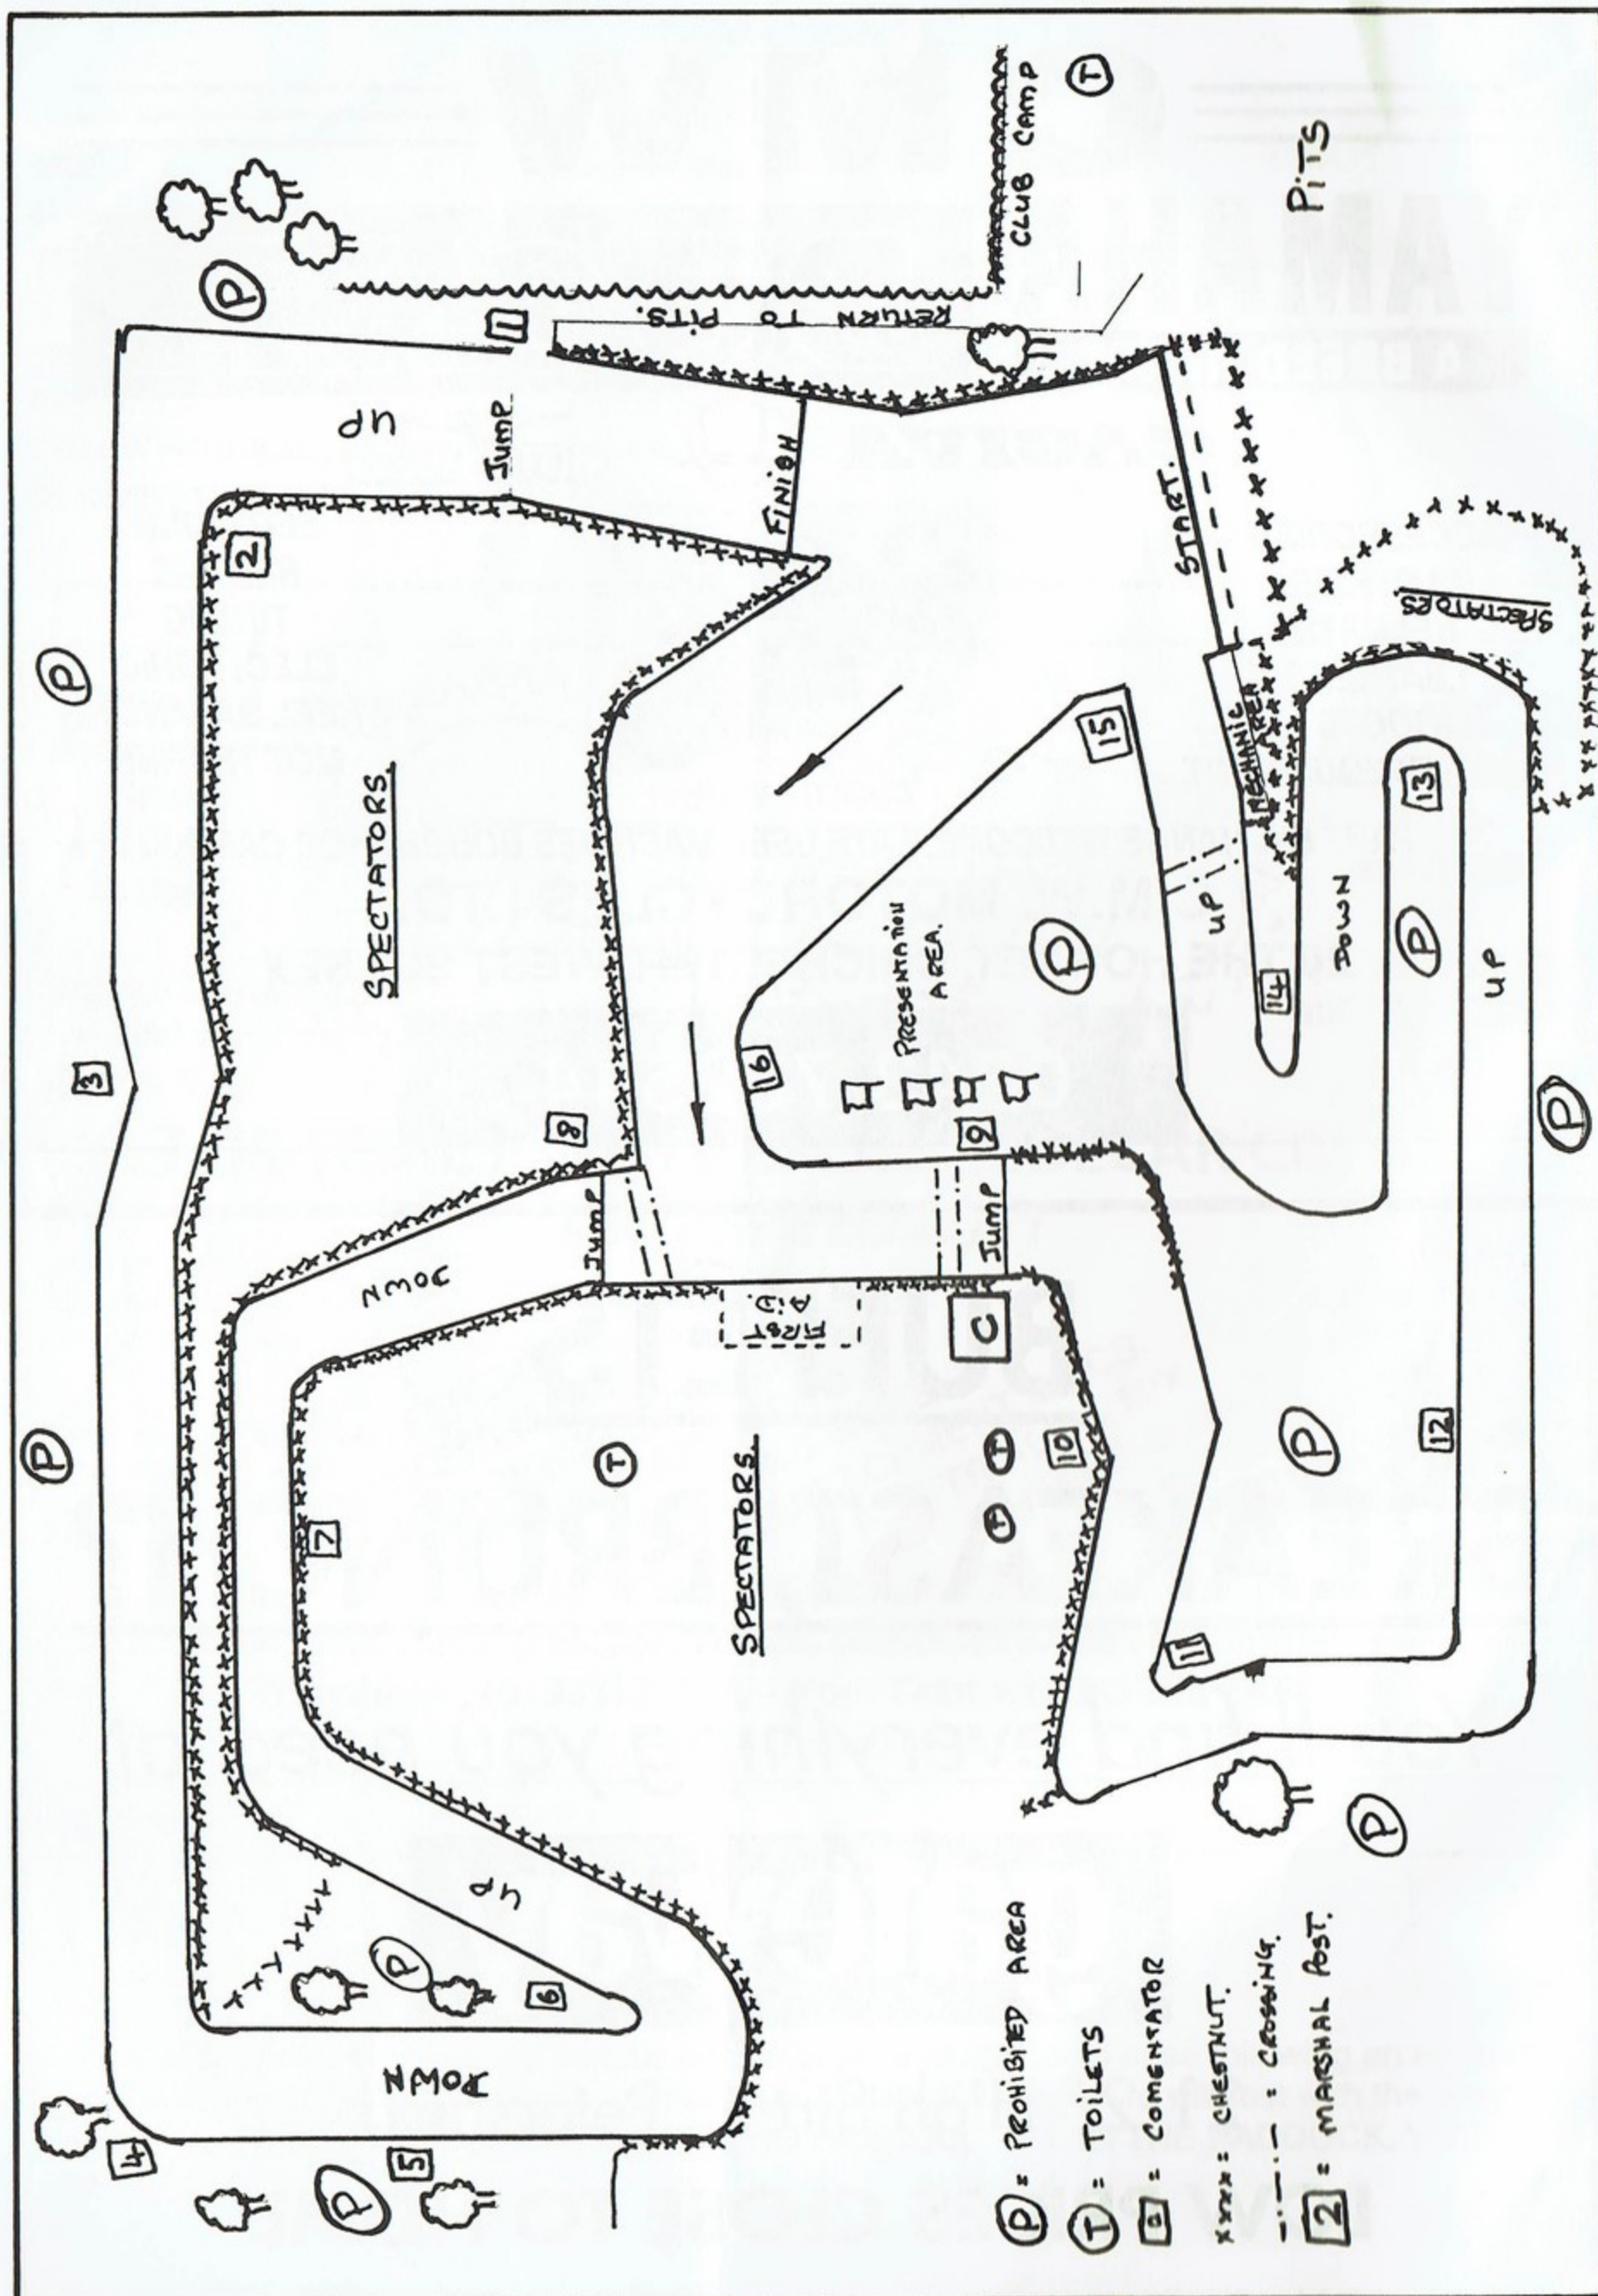

What a fantastic Grand Prix it was last year, with Chris Etheridge and Gary Withers mounting the podium at the end as winners, beating the Rest of the World, yes they are back again this year leading the British Championship, give them your support, can they win this year or will the chasing pack led by Colin Phillpot get their revenge, there are three fantastic races to sort it out.

The meeting opens with the first of what promises to be three fiercely fought 125cc races with the winner coming from a bunch of at least six flat out favourites including Kelly Swanson, Justin Morris and Jon Barfoot, who will win I can only guess.

Completing our fantastic programme will be three open races featuring almost all of Britains top stars including, this years Czech 500cc Grand Prix Winner Mervyn Anstie, past British Champions Rob Herring and Jem Whatley, rising Grand Prix stars Mark Eastwood and James Marsh plus many others capable of mounting the podium at around 5 o'clock.

Nine great races are forecast, nine races with a lot at stake so look forward to some fast riding and keep well back behind the ropes and fences and have a fabulous day (of yes and please keep the litter down to a minimum as we, have to have the cows out again next week - Thankyou).

Roy Collins
Chairman WMCC.
