GENERAL

The Cotswold Youth Motorcycle Club has once again decided to run this National Championship despite the argument that other organisations are already running Nationals,
No person can dispute the fact that this is the only event of it's kind that takes in all capacities and is open to any rider in the country.
However,we wish for no personal glory ,only the satisfaction of seeing all the best lads in the country,some living over 400 Miles apart,come together for this one big meeting and that through meetings such as these the parents will take a lesson from the boys and eventualy learn to work together.

Tony Williams.
