AMICA
OFFICIAL PROGRAMME

More f in Performance!

In '98 Yamaha changed the face of motocross forever with the launch of the YZ 4-stroke. And one world championship later we're just about to do it again with the awesome new YZ250F. Weighing only 96.5kg and revving to 13,500 rpm, this high-tech lightweight 4-stroke adds a radical new dimension to motocross. And with its new titanium valves, low-friction crankshaft, 250mm floating front disc and lighter swingarm, the latest YZ426F is still the number 1.

Yamaha YZ250F and YZ426F 4-strokes:
Free-revving lightweight per4formance!

AMCA NEWS
9th October 2001

Results from Switzerland

Gary Davies takes 3rd place in Switzerland on Sunday. With rain all through the weekend the organisers decided just to run two races and no supporting events at the final round of the 125cc IMBA Championship at Kleindelfingen. Gary, having missed 3 rounds due to injury, scored two 3rd places to take 3rd overall and finished 10th in the championship.

SIMON LANE 5th in the Championship

With 8th and 9th places Simon Lane ended up in 5th place with Jamie Powell 7th scoring a 10th and 8th while Terry Lloyd from Hereford had a 7th and 5th to take 12th, so the 4 AMCA riders all finished in the top 12 over the 7 round series. James Lane who also rode, travelling with brother Simon, ended up 22nd.

Protests from the Belgians

With the Swiss trial round reduced to two races the Belgian riders and supporters were not happy as Dutchman Patrick Roos snatched 3rd place by one point in front of Jurgen Van Nooten. A protest followed the meeting mainly aimed at the Belgian official Eddy Heutmeyers, but to no avail, the international Jury had already agreed only two races should be run, the first at 1.00pm and the 2nd at 3.00pm.

Davy Goovaerts won the championship from fellow Belgian Steve Seronval by 30 points. Goovaerts averaged 78 points a meeting out of a possible 90. Davies for 4 events without the 'home' round averaged 50 points. During the day 5 tractors were needed to pull all the vehicles off the paddock.

AMCA's 250/500 International at Bromsberrow on Sunday 21st October 2001

A reminder that the Wessex Club Upton are still requiring help with the International on 21st October at their Bromsberrow circuit, they would like Marshals on both the Saturday and Sunday (over 16 years of age) and there is a local group event on Saturday for Juniors, Seniors and Experts. For the Sunday they would like any Championship rider from last year to ride and the contact is Martin Bannister on 01905 820180 or 07979 556269.

TRIALS - Midland Modern Meeting

A meeting to discuss Midlands Modern Bike Trials will be held at 8.00pm on Thursday 16th October 2001 at the Swan Inn, Wolverhampton Road, Pelsall, near Walsall. Hopefully fixtures will be arranged and all clubs and riders are invited to attend. Contact Liz Bolton on 01922 682607 if you are unable to attend and need fixture dates.

NEC Supercross

Jason Rennie from Wrexham won the AMCA event at the Indoor Supercross last Saturday. Jason, a member of the Chester club, has recently returned to riding after a lay off and has only ridden 3 times outdoors this season. In the 90's he was credited with a long jump record in this country on a motorcycle and judging by his performance he would have been in the results of the Open races. 2nd was Mark Millward from the Acorns Club in Staffordshire and 3rd was Michael Abbott from the Robriding Club near Derby. The meeting at the NEC was authorised by the AMCA and a 3rd event is due at Sheffield on Saturday 21st October 2001.

Cancellation

Due to the wet weather the Pennine club cancelled the club's West Pennine Moto Cross due to have been run at Eldon Hill while the Acorns meeting on the Clee Hills also fell victim to the weather. Sunday's meeting due to be run by the Wirral club has already been cancelled.

York MCC Event at Little Terrington

The York club will be arranging a Motocross at Little Terrington 14 miles north of York on Sunday 4th November. The track is to be laid out on a large sloping stubble field without man made features. Anyone who would like to ride at this event must enter via their own AMCA club. All Yorkshire clubs are required to help with the running of the meeting. The closing date for entries is the 22nd October and the fee is £20.00. The event is open to Yorkshire and Northwest clubs, all riders must have an AMCA licence, no on the day entries will be allowed. For further details contact Kev on 07980 610824 between 7-8pm. Anyone who would like to help set the course up please turn up for 2pm on Sunday 21st October.

Weymouth Beach Race

Alf Stearn on behalf of Purbeck Moto Cross would like to thank all those who helped out at the Weymouth Beach Race including the AMCA office, Portland Plant and Graham Dudman for their machinery, all the marshals who had to endure the atrocious weather conditions, the ladies of the South West Group, who had a very difficult job to lap score so many riders, Chard AMCA Club for scrutineering, our stewards for the day and St. Johns Ambulance. The list is endless, but you all know who you are and we look forward to seeing you all again next year. And well done to all the Purbeck boys (and girls!!).
