ANNOUNCEMENTS !!

It would be appreciated if all those attending today's Meeting would kindly read the following announcements, which are of direct interest and concern to them.

WARNING.

MOTOR SPORT IS DANGEROUS AND PERSONS ATTENDING THE MEETING DO SO ENTIRELY AT THEIR OWN RISK.

"It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land and the drivers of the vehicles, are absolved from all liability arising out of accidents howsoever caused resulting in damage and/or personal injury to spectators or ticket holders."

POLICE NOTICE.

Owing to the increasing number of thefts of and from motor vehicles at meetings similar to that which you are now attending, the Police strongly advise you to lock your car, or immobilise your motor cycle, and to remove all articles of value. If your vehicle is stolen you may be reimbursed for its loss, but you will get no compensation for the months of inconvenience suffered whilst awaiting the results of your claim. If you have left your vehicle insecure, spare a few minutes to immobilise it. It could save you hours in the weeks to come.

DOGS.

Under no circumstances are dogs allowed within the precincts of the Course. This ruling will be strictly enforced.

CROSSING THE COURSE.

Under no circumstances should you cross the Course whilst racing is in progress—at such points where it is permissible to cross the Course, a marshal will indicate when it is safe to do so.

STARTING.

A clutch start in conjunction with a mechanical starting gate will be employed in all races.

FLAG SIGNALS.

Chequered Flag **Finish.**
Black Flag with number displayed ... **Driver riding machine bearing that number to stop.**
Red Flag **Danger. All machines stop.**
Yellow Flag **Caution.**

NOTICE TO RIDERS

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the paddock. Liability for any claim could rest with the owner of the machine being used (or the parents in the case of a 'Minor').
