

Have wings, will fly.

Frederic Bolley. 1999 250cc Motocross World Champion.

It takes a lot to catch Frederic. No one did it last year. Probably the best place to start trying is at either of our Honda Motocross Schools. Call The Dave Thorpe School on 01344 620533, The CAS/Elf School on 01933 396310 or HUKRC on 0800 731 8180 and get ready to fly.

You're one of the world's best-ever dirt riders. So do you sign for the manufacturer that offers you the biggest pile of cash? Or do you go for the bike with the winning engine and chassis? It's damn obvious! Just ask the 1999 US Supercross Champion.

# AMCA NEWS

August 15<sup>th</sup> 2000

## Richard Du'Feu wins the IMBA Round

With a superb demonstration, Richard Du'Feu from West Lancs won the 6<sup>th</sup> round of the IMBA's European Championship held at Marshfield near Bristol on Sunday. Before the meeting he was 5<sup>th</sup> and despite the atrocious conditions with rain nearly all day, he won two of the 3 races with a 2<sup>nd</sup> place in the second race behind the Swiss rider Patrick Kasper, and is now 3<sup>rd</sup> in the Championship with one round to go in Germany, next month. After a week of hot dry weather, which meant watering before the weekend, the rain started just after practice began and continued till well after the meeting ended.

Championship leader Danny Wauters from Belgium never attempted any heroics on the slippery cambers and announced Saturday night with a lead of over 100 points that he would just ride round, which he did scoring 11 points for the three races. His team mate Serge Van Huffel closed the gap scoring 11 but is still 52 behind, while Noel De Busser who was 3<sup>rd</sup> only scored 36 and is now 25 points behind Du'Feu.

## 5 in top 10

With 5 places in the top ten the AMCA riders took full advantage with Simon Gower 5<sup>th</sup>, Richard Cuff 6<sup>th</sup>, James Cumber 7<sup>th</sup> and Gary Parker 9<sup>th</sup>. Christian Payne blew his bike up in the 2<sup>nd</sup> race while Martin Beddoes failed to score. Gower is now 10<sup>th</sup>, Cumber 6<sup>th</sup> and Cuff 12<sup>th</sup>, he has missed 3 rounds due to injury but averaged 45 points a meeting for the three he rode.

## Protest

After the meeting the Belgium riders complained of 'course cutting' by some of the AMCA riders but this was not upheld and the results stood. With a circuit getting on for two miles in length it was certainly a tricky circuit. Support races for juniors saw very few riders finish on the same lap as the winner.

## Marshfield Club

Well done to the club for running under such conditions and a special thanks to Ray Hockey for providing the marquee, very handy on such a day.

## AMCA (Midlands) Modern Trials

The winter fixture meeting for the midlands Modern clubs will be held on Tuesday 29<sup>th</sup> August at the AMCA offices at 7.45pm.

All clubs intending to run events are asked to attend and if unable to please submit dates prior to the meeting. AMCA Championship dates will be elected and a reminder that the AMCA Trials Championship which will be run over 10 events approximately from September to April 2001 will be open to any rider who must hold an AMCA licence.

## Devon Trial

Following the successful trial organised by the Acorns club in Devon the dates for next year will be August the 11<sup>th</sup> and 12<sup>th</sup>. Congratulations to Pete Bailey on winning the two day this year. Pete Flower thanks all those people who attended to observe this year. There were more than needed. Saturday saw the 63 riders compete over 3 laps of 21 sections while Sunday they rode 4 laps of 20 sections.
