ANNOUNCEMENTS

It would be appreciated if all those attending today's Meeting would kindly read the following announcements, which are of direct interest and concern to them.

WARNING

MOTOR SPORT IS DANGEROUS AND PERSONS ATTENDING THE MEETING DO SO ENTIRELY AT THEIR OWN RISK. "It is a condition of admission that all persons having any connection with the promotion and/or organisation and/or conduct of the meeting, including the owners of the land and the drivers of the vehicles, are absolved from all liability arising out of accidents howsoever caused resulting in damage and/or personal injury to spectators or ticket holders."

PUBLIC NOTICE

Owing to the increasing number of thefts of and from motor vehicles at meetings similar to that which you are now attending, the Police strongly advise you to lock your car, or immobilise your motor cycle, and to remove all articles of value. If your vehicle is stolen you may be reimbursed for its loss, but you will get no compensation for the months of inconvenience suffered whilst awaiting the results of your claim. If you have left your vehicle insecure, spare a few minutes to immobilise it. It could save you hours in the weeks to come.

DOGS

Dogs must be kept on a leash at all times.

LITTER

Spectators and competitors are particularly requested not to leave any litter.

NOTICE TO RIDERS

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the paddock. Liability for any claim could rest with the owner of the machine being used (or the parents in the case of a 'Minor').
