4-Stroke Motorcycle Oil

They're made for each other.

Castrol announce Grand Prix.
A brand new oil specially developed for 4-stroke motor bike engines. An oil based on years of research by Castrol on the stresses and strains of motorcycling.

And with the knowledge and experience they've gained from over seventy-six years in the oil business, and winning more senior TT races than any other oil company, Castrol know that Grand Prix can

stand up to the higher revs and hotter running of bike engines.

That's why we're sure Castrol Grand Prix and your bike are made for each other.

With Castrol there's a great road ahead.
