The Frome & District MCC welcomes you to Asham Woods for today's meeting.

It is with great sadness the Jim & Vera Webb can't be with us here today due to Jim's illness and we are sure that you will join us in sending both Jim and Vera our very best wishes and hope they can join us in the future from the "other side of the fence."

Jim & Vera have been stalwarts of the Frome Club & the Asham Woods circuit for longer than many of us can remember, we hope that the current members of the Frome club can continue to run events in the same successful manner as they have, and for perhaps as long as they did!

As ever, we are extremely grateful to Aggregate Industries for the use of the land.

Have a safe days racing & watching.

Best Wishes

Paul Loveridge, Chairman Frome & District MCC
