AMICA

OFFICIAL PROGRAMME

More f in Performance!

In '98 Yamaha changed the face of motocross forever with the launch of the YZ 4-stroke. And one world championship later we're just about to do it again with the awesome new YZ250F. Weighing only 96.5kg and revving to 13,500 rpm, this high-tech lightweight 4-stroke adds a radical new dimension to motocross. And with its new titanium valves, low-friction crankshaft, 250mm floating front disc and lighter swingarm, the latest YZ426F is still the number 1.

Yamaha YZ250F and YZ426F 4-strokes:
Free-revving lightweight per4mance!

POINTS SCORING SYSTEM FOR TODAY'S MEETING

The first rider in each race gains 15 points, second 12 points, third 10 points, fourth 8 points, fifth 6 points, sixth 5 points, seventh 4 points, eighth 3 points, ninth 2 points and tenth 1 point.

The winning rider in each class is the rider with the highest number of points. All races shown in the programme will count. Any additional races not shown in the programme will not count towards overall positions. Any ties will be settled by the results of the last race in each class.
